# A Year In Sports

Sports, as well as many other programs at H.H.S., underwent quite a few changes this year. Participation fees were only one issue. Despite the increase in fees, involvement and interest skyrocketed.

Thanks to the efforts of: Lisa Baumgartner, Mike Parker, Steve Gularte, Wayne Purves, Anne McCullough, Trisha Rey, David Wright, James Martinez, Robert "Cheetah" Gonzales, Mike Harn, Francine Reinoso and Kristy Spina, 1984 was a fantastic YEAR IN SPORTS at Hollister High. This means that the class of 1985 will have to work that much harder to be as outstanding as the class of '84. Good luck!!

# Varsity Ties For Second

The 1983 Varsity football team had a tremendous season this year. They finished second along with four other teams. For awhile the Balers were in a four-way tie for first place, but on their last home game of the season on a very muddy field, they lost to Palma. The loss dropped them from the championship bracket.

Head coach Carrie Laine said, "The significance of this year's team was that they were dedicated and played more like a team." This is the best season the team has had under the realms of Coach Laine.

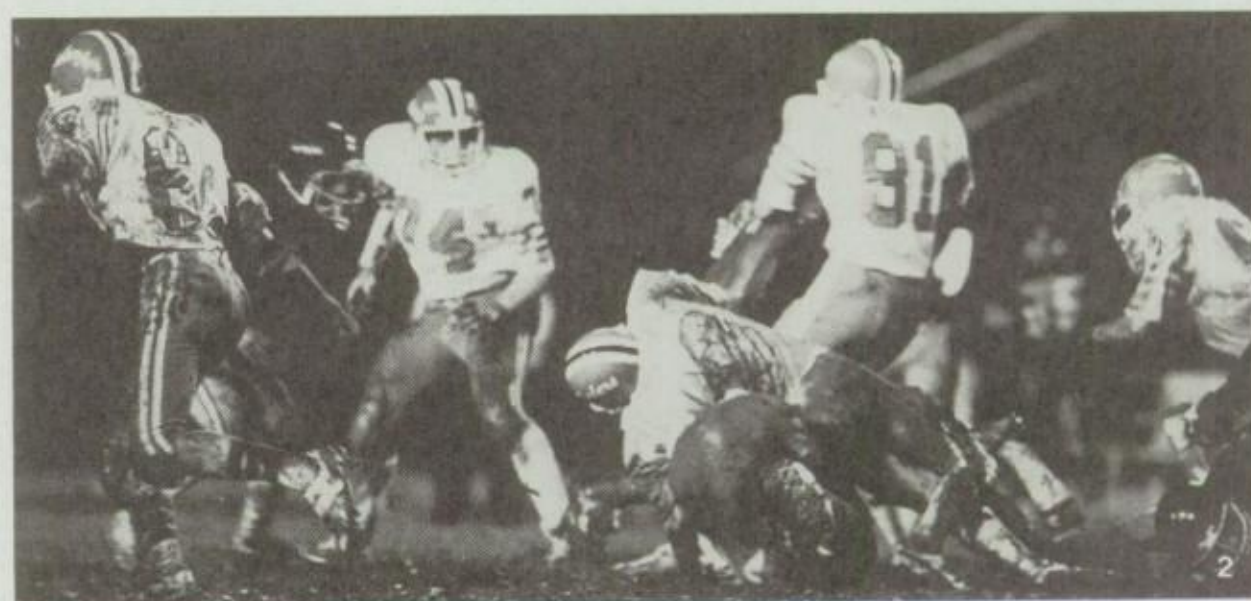

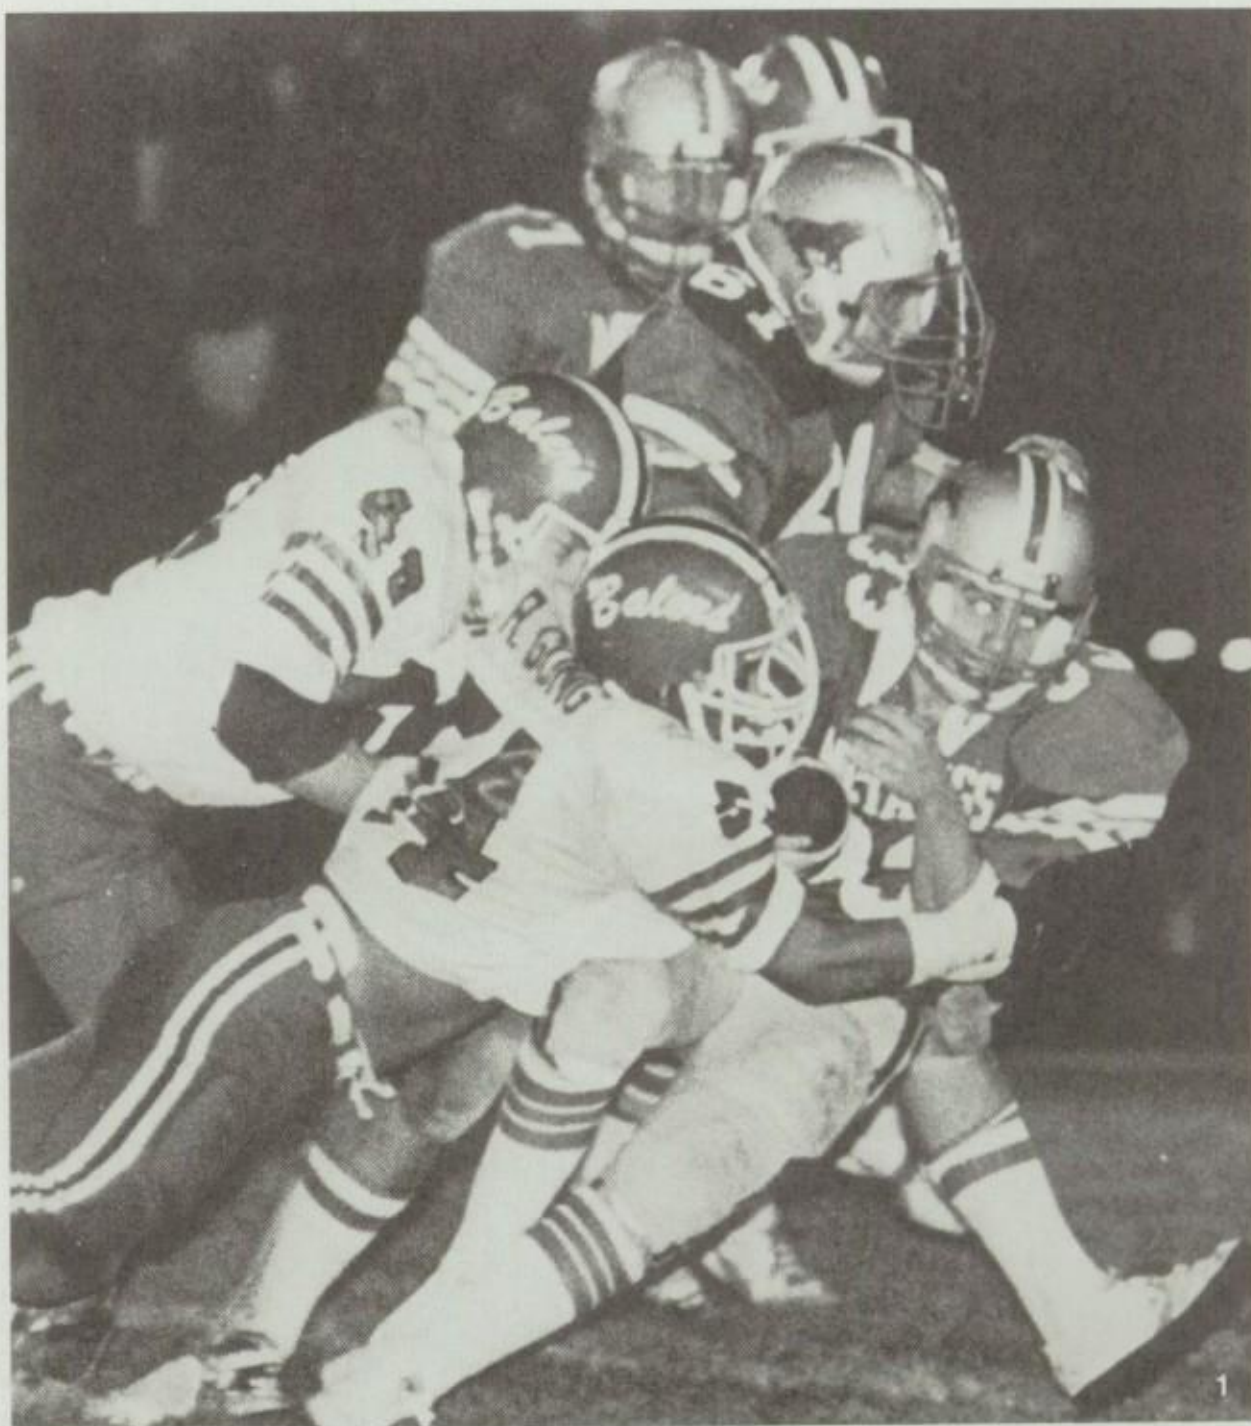

All MTAL player Gregg Serrano stated, "I feel the reason we did so much better than the year's before is because we knew what we wanted, and we tried our very hardest to get it."

This year's varsity has a lot to be proud of as they fought hard and worked long hours on and off the field.

# J.V. Takes Second in League

This year has been a very productive one for the Junior Varsity football team. Stamina and hard work has led this young team to a winning season, ending the year with an overall record of 7-3.

When freshman Kip Ward, starting quarterback, was asked what he thought made the team so strong, he replied, "I feel that team effort and timing was the big difference."

Coaches Dario Casarino and Alfonso Hurtado were quite pleased with the successful season and will be looking forward to the upcoming freshmen from last year's squad.

At the award's banquet the individual awards went to Sophomores Rudy Reyes, Most Valuable Player, and John McAbee, Most Improved Player.

# Varsity Volleyball Takes M.T.A.L.

This year's Volleyball team struck it rich again. The Balers managed to lose only one of their twelve league games and posted a 15-3 overall record. An explosive group of girls, "that were close and played like a family," stated head coach Dale Morejohn. Donna Hodges, three year all League M.T.A.L. Varsity player, and first year varsity player Anne Tayler both agree that was a major reason for the excellent season.

Coach Morejohn is making a habit in winning, taking his team to the Championship his first two years of coaching volleyball. This year's team went a little bit further than last year's team, winning the first playoff game in C.C.S. against North Salinas. Donna Hodges stated "Last year they whipped us and this year we whipped them." The Balers dropped the next game against a strong Harbor High squad. This eliminated them from C.C.S. playoffs.

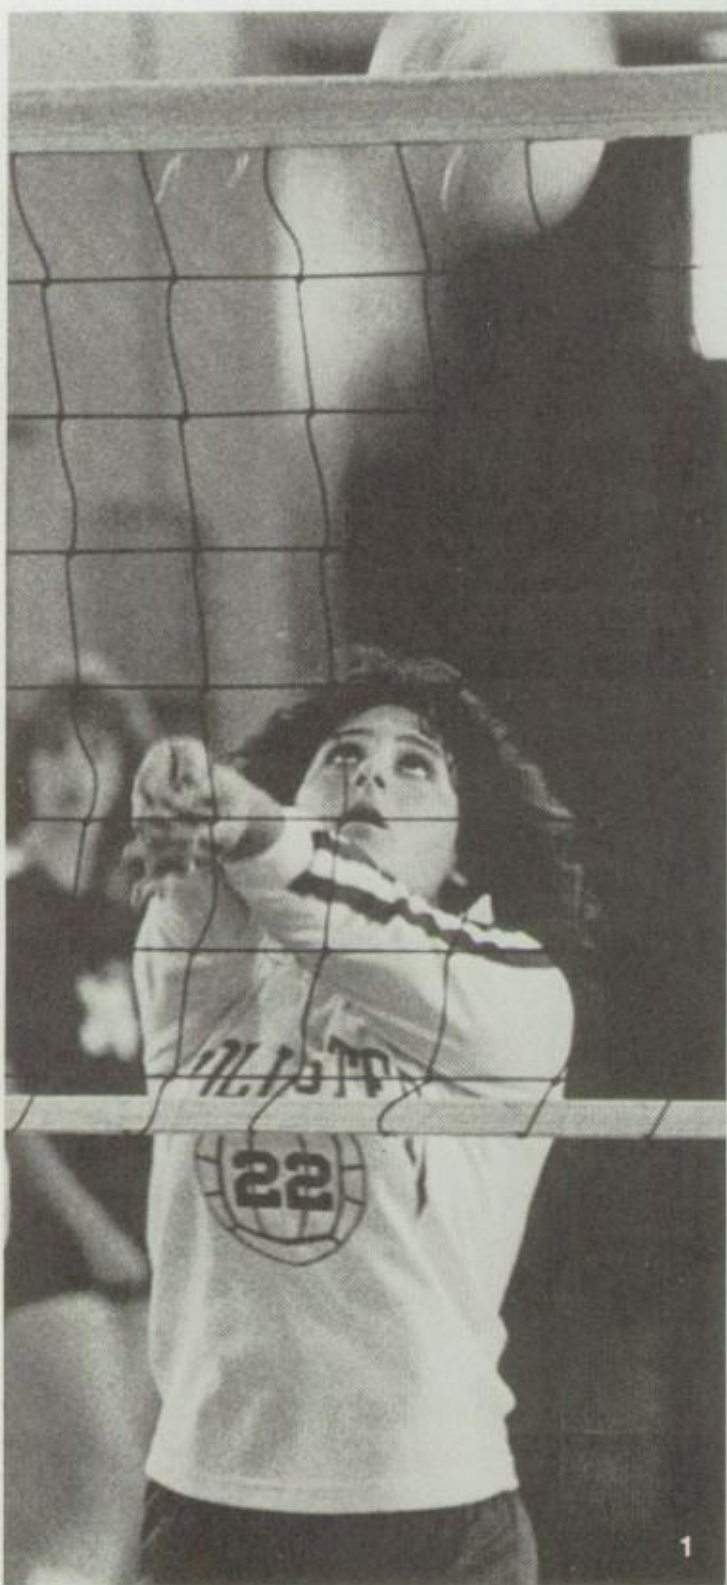

The Balers established three All League players which were Captain and M.V.P. Donna Hodges, Janet Righetti, Lisa Baumgartner, and Honorable Mention Davina Polanco.

5. Lisa Baumgartner's perfect pass to the front row sets up another point.

# F/S Finishes 6-6 in League

The F/S volleyball team finished the season on a winning note by defeating RLS 15-5 and 15-3. This helped them to a 3rd place finish behind league champ King City and 2nd place Carmel.

The team was led by sophomores Brooke Murphy, M.V.P., Mary Jo Gonzales, Carla Ball, team captain, and Freshmen Dee Ann Reece, Stacy Stadtler, and Sandra Huaracha.

At the team's banquet, Sophomore Kristinea Andersen was awarded the Most Improved Player, and Debbie Smith received the Sportsmanship Award as well as Most Improved Player.

The "netters" finished the season in fourth place behind front runner Santa Catalina, second place finisher RLS, and third place team Carmel. The most outstanding player of the season was Nancy Frusetta and the most improved players were Karen Whelan and Kim Hollinsworth. Captain of the team was senior Anne McCullough. This year's singles consisted of: 1st, Nancy Frusetta; 2nd, Anne McCullough; 3rd, Karen Whelan; and 4th, Christin Flocken. Doubles teams were #1, Heidi Croft and Bonnie Goodwin; #2, Kim Hollinsworth and Itxaso Echevarria; and #3 Julie Yanez and Susan Villa.

## Cross Country Takes Second in MTAL

The cross country team, under the coaching of John Coombes, has again asserted itself in MTAL competition. Coach Coombes has consistently had either first or second place finishes during his tenure as coach. This year was no different. The Baler team worked and ran hard only to finish second to an up and coming Palma team. Palma took the league title by only 8 points.

The Balers have a host of excellent runners. Led by senior Robert "Cheetah" Gonzales the Balers will be a dominant force to contend with in the future. This is because of returning lettermen junior Fritz Ureno, Steve Vallejo, and Fabian Gaona.

The Balers who received the outstanding awards were Robert Gonzales, Most Valuable Player, and Gregg Coombes, Most Improved Player. "Cheetah" Gonzales was also the team Captain.

4. Maria Del la Cruz races to the victory line a winner.

# Francine Reinosa is M.V.P.

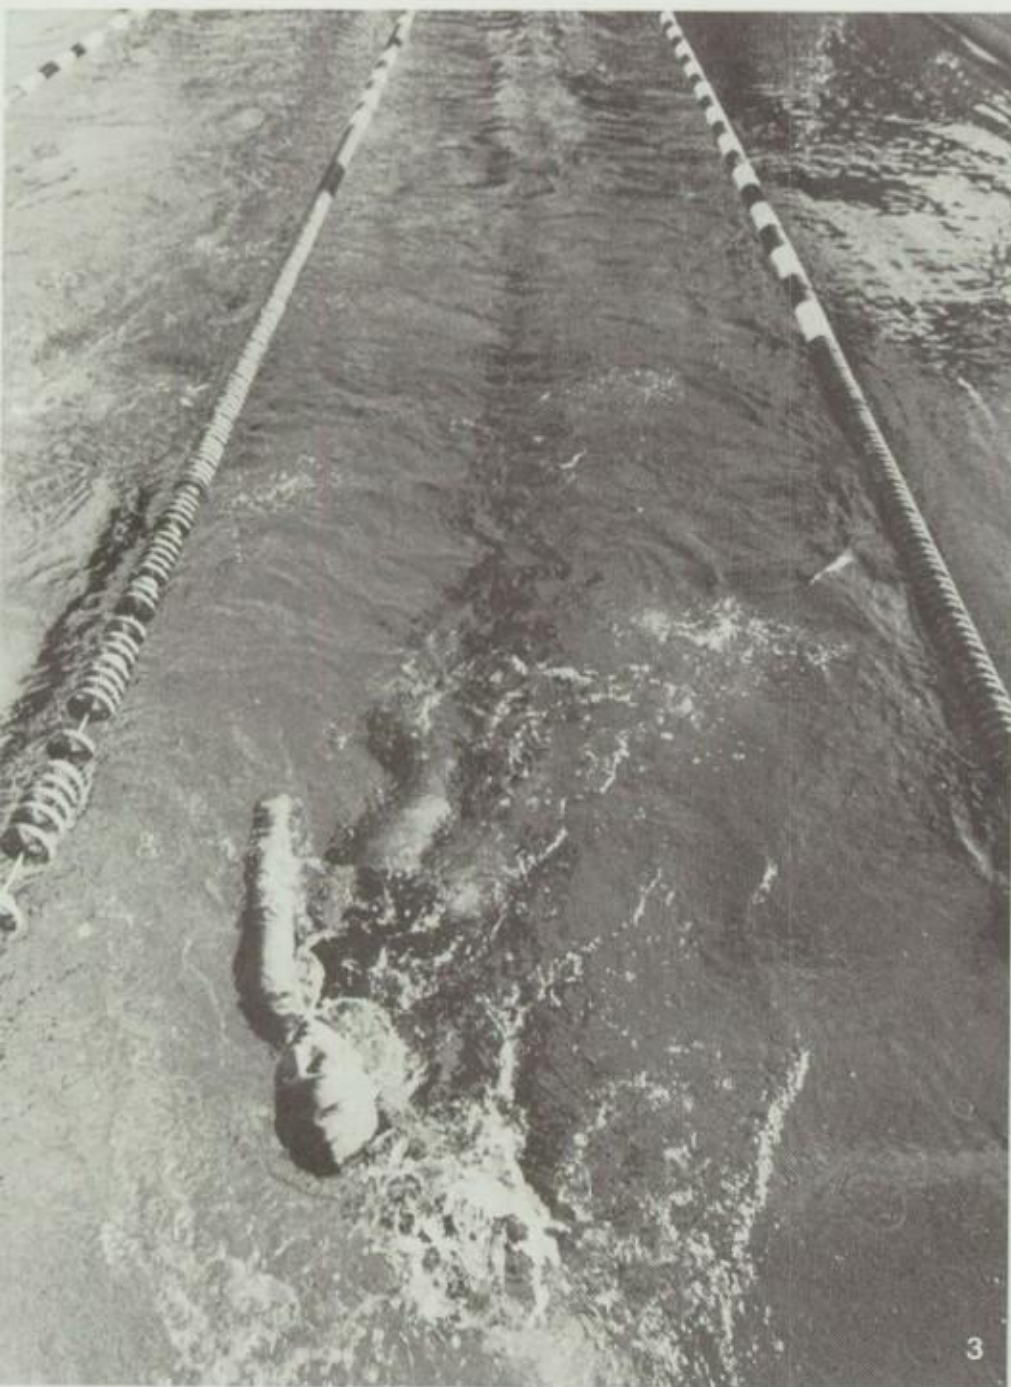

The swimming team finished the season with a 3-5 record. According to Coach Dottie Rose, "Our team didn't perform as well as expected due to an unfortunate amount of swimmer's illnesses. When the squad had a full, healthy team they performed quite well."

Senior Francine Reinosa said, "The team isn't doing as well as last year. We just didn't seem together as a team." Even though the team had a losing season, Francine Reinosa was one of the bright spots. She was the lone CCS qualifier by having one of the best times in the area in the 200 and 100 freestyle races.

Divers Shannon Hansen and Stacey Mendez paced the Balers in competition throughout the season. Other outstanding performers were Michelle Miller, Cathy Coombes, and Heather Parker.

# Ray Garfey Voted All-MTAL

This year's Varsity soccer team did not make the playoffs, but they did play some outstanding soccer throughout the season. Some questionable refereeing in some games almost brought the players together in a fight. But Coach Robledo removed his players from the game before any altercations occurred.

Leading the Balers throughout the season were George Sanchez, M. V. P.; Felipe Ornelas, Most Inspirational; Manuel Bueno, Most Improved; and Ray Garfey, All-MTAL. George Sanchez and Francisco Hernandez were selected second-team All-MTAL.

1. Leonel Cuevas sliding out for the loose ball against the strong Alisal team.

3. Martin Bueno leaps high for a perfect header to his teammate.

4. Ramon Escamilla moves the ball down field.

5. Leonel Cuevas fights for the ball at the goal.

6. Alejandro Hernandez heading the ball against York.

# F/S Led by Cipriano Frutos

The Frosh-Soph soccer team had many interesting moments this year, often times the problems concerned some questionable refereeing decisions. The team fought back many times after being down by a few points to take the game.

The F/S team was led by sophomore Cipriano Frutos who was selected M. V. P. by his team mates at the end of the year. Goalie Robert Ortiz was chosen as the Most Improved Player and Carlos Ramos was selected Most Inspirational. Two girls also had quite a bit of playing time this year. They were Sonia Lopez and Janine Tresidder.

With a strong performance by the younger squad this year, next year's Varsity should be even stronger than this year.

1. Cipriano Frutos and Carlos Ramos go after the ball against Carmel.
2. Robert Ortiz prepare to kick the ball down field to the offense.
3. M. V. P. Cipriano Frutos ties it up with a defender deep in the opponents territory.

2. Sophomore Guillermo Maldonado pins another opponent showing why he was Co-MVP.

# Varsity Goes Undeclared Again

Coach Marti Dillion's wrestling team has gone undefeated for the second year in a row in dual meets, but unfortunately because of the format of the league, the Balers finished in second place behind Palma. The Chieftains were able to place more men in the finals, thus capturing the coveted crown.

The Balers again had some of the best wrestlers in the lower weights in the Central Coast Section. Marcos Labuguen, 98 lb., finished 1st in the MTAL, had the most takedowns, and was selected the Most Improved wrestler. Guillermo Maldonado, 119 lbs., was 1st. in the MTAL for the second year running, had the most pins, and was selected Co-MVP. James Martinez, 145 lbs., was 1st in the MTAL, and Co-MVP.

3. Maldonado again displaying the position he was in most of the year.
4. Co-MVP Senior James Martinez grimaces while trying to finish-up on his rival.
5. Maldonado head-to-head with opponent before the match begins.
6. Tim Rider, heavyweight, congratulates Echevarria of Palma after their match.
7. Freshman Curt Rey, Most Valuable Freshman, manhandles his opponent to the mat working for a pin.

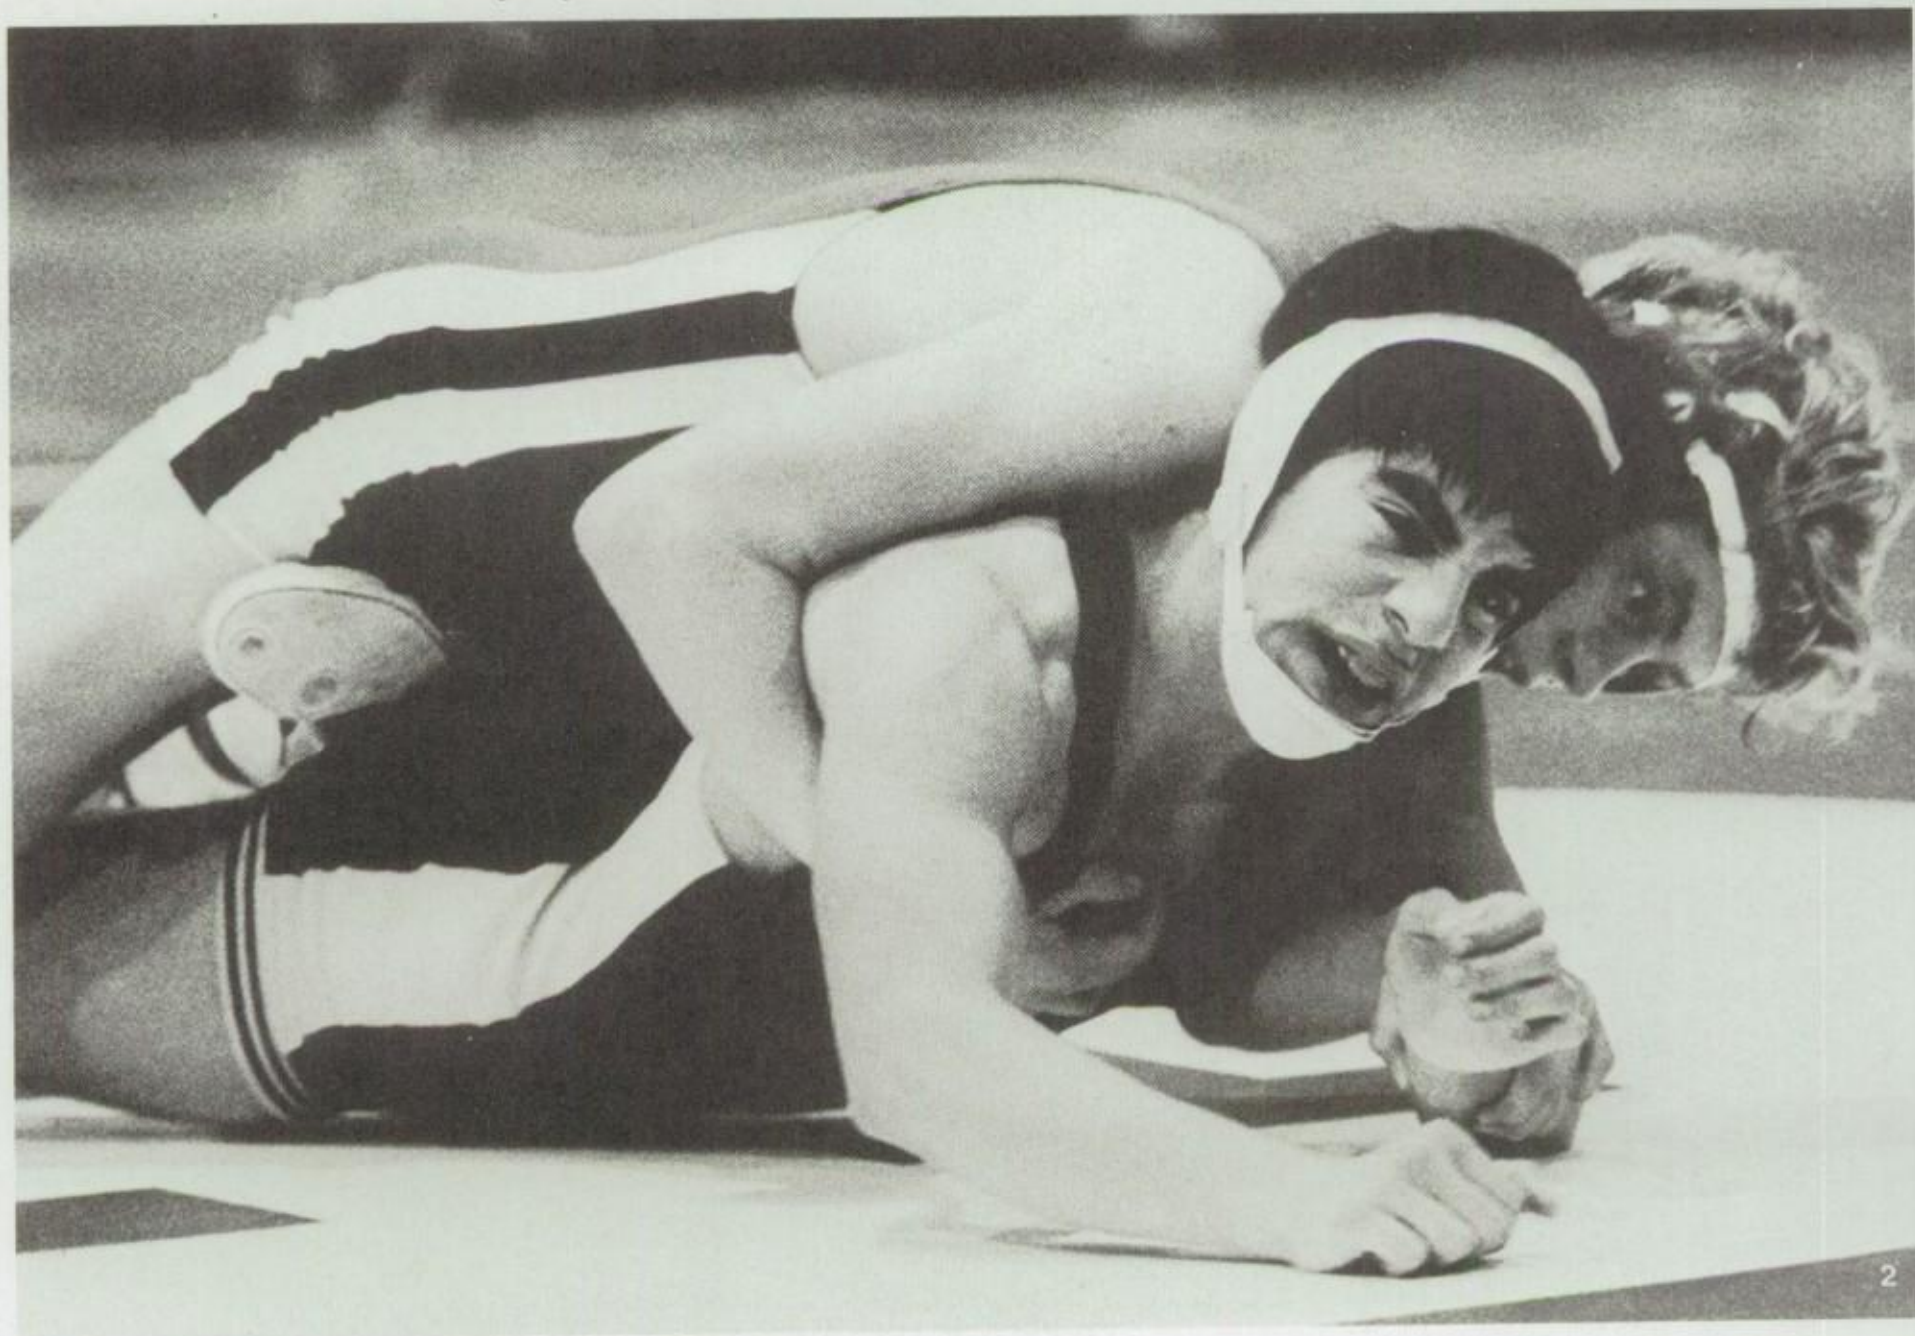

## Martinez and Maldonado MVP

The Baler wrestling squad had their second successful year in a row by finishing second in the MTAL. As they did last year, they went undefeated in league play only to lose out in the MTAL Finals this year hosted by San Benito High School.

According to Coach Marti Dillon, "We will be even stronger next year. We are losing three seniors, but we should have enough throughout the line-up to take a run for the championship next year. It is a bit frustrating going undefeated two years in a row and not having an undisputed championship yet."

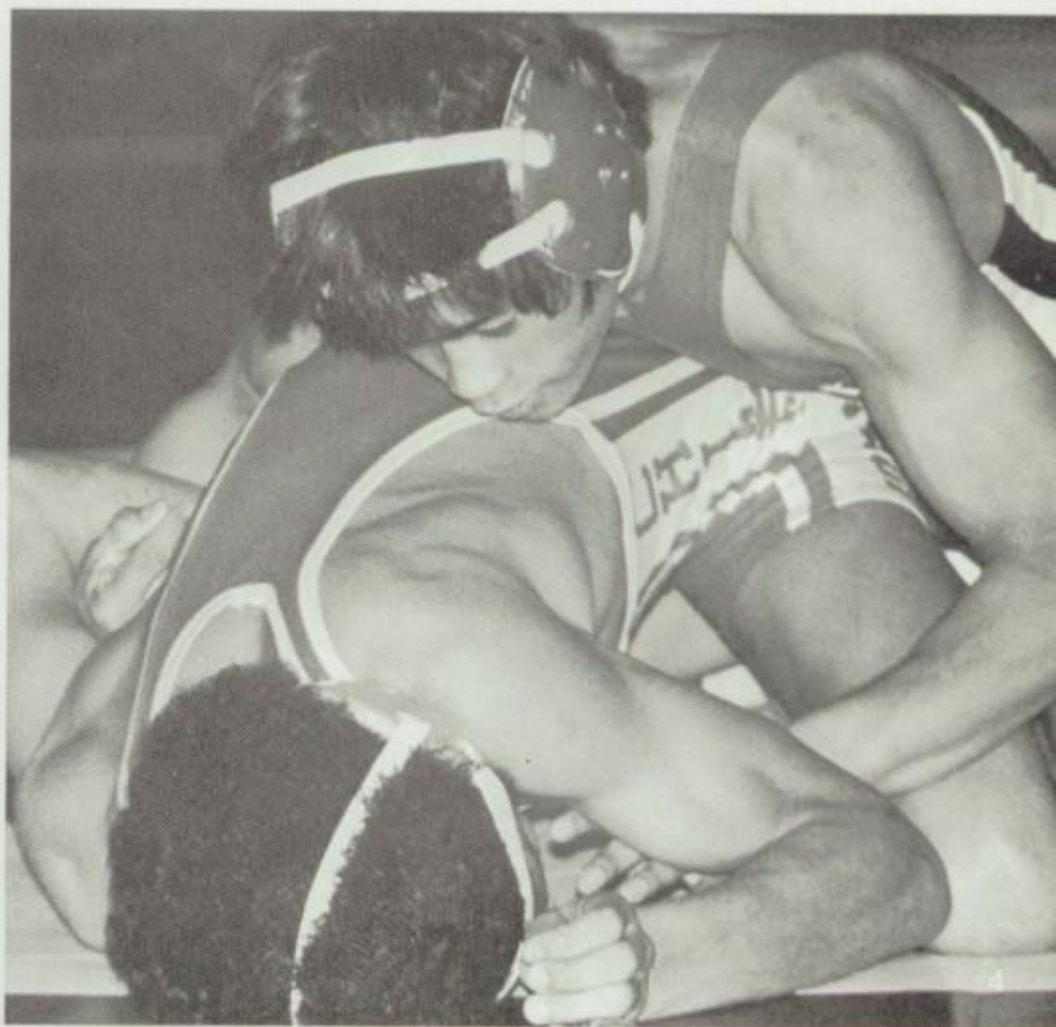

Coach Dillon has built a formidable unit of wrestlers at the high school level and with the help of the Hollister Recreation Dept. he helped start a junior wrestling club that will show rewards within a couple years.

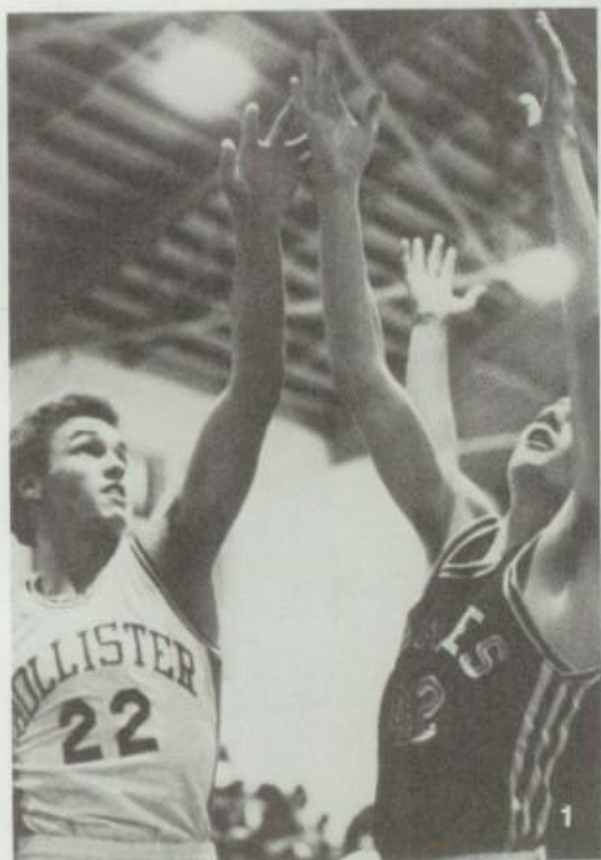

1. Israel Herrera again taking down a larger opponent.
2. Cameron Darby causing "pain" for the opponent as he maneuvers for points.
3. James Martinez has the Chieftain wrestler tied-up at the moment.
4. Guillermo Maldonado taking his man to the mat again.
5. Marcos Labuguen had the most takedowns on this year's squad. Here he does it once more.

# Varsity Takes It On Chin

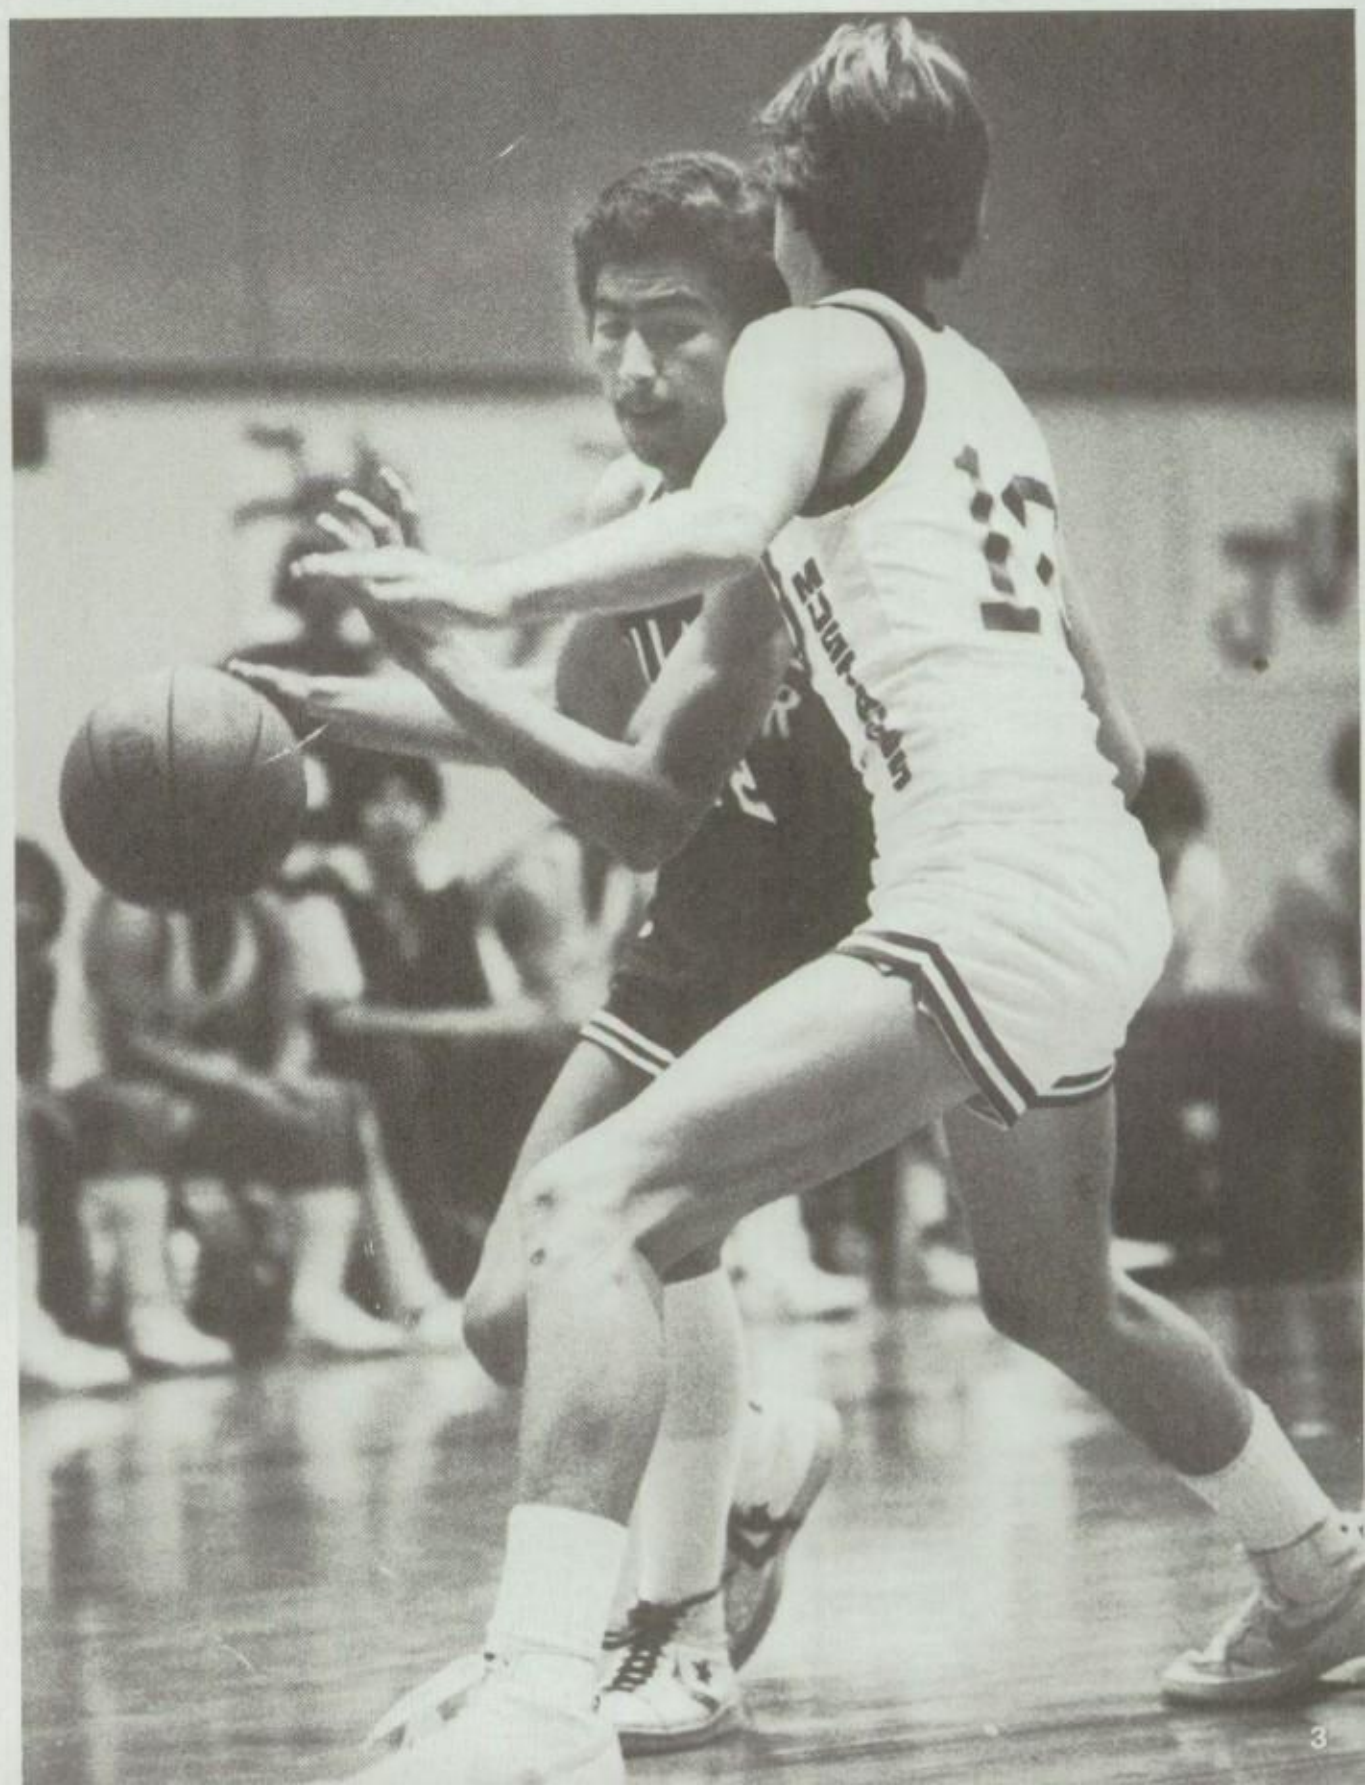

This year's Varsity Basketball team had a rather rough year. It took the team five games, before they had a win. The average height of the team is 5' 9", which is rather short. The starting line-up for the Balers for the majority of the year was Mike Parker, Ken O'Connell, Bill Hernandez, David Huaracha, and Lindsay Ross. O'Connell, and Hernandez are co-captains. Defensively, the team is strong, but as we all know, you can't base a team on defense only. Unfortunately, the offense just couldn't seem to get it together. According to Mike Parker, "The season progressed rather slowly, and it was very upsetting." Coach Becerra is attempting to build a strong offense as well as defense for next year. Maybe, with a little luck, offense and defense will come together in 1984!!!

1. Hollister's number 22, Bryan Foote tries to "jump higher"

2. Fritz Ureno & Mike Parker try to steal the ball from Palma

3. Fritz Ureno making the move on the Mustang defender

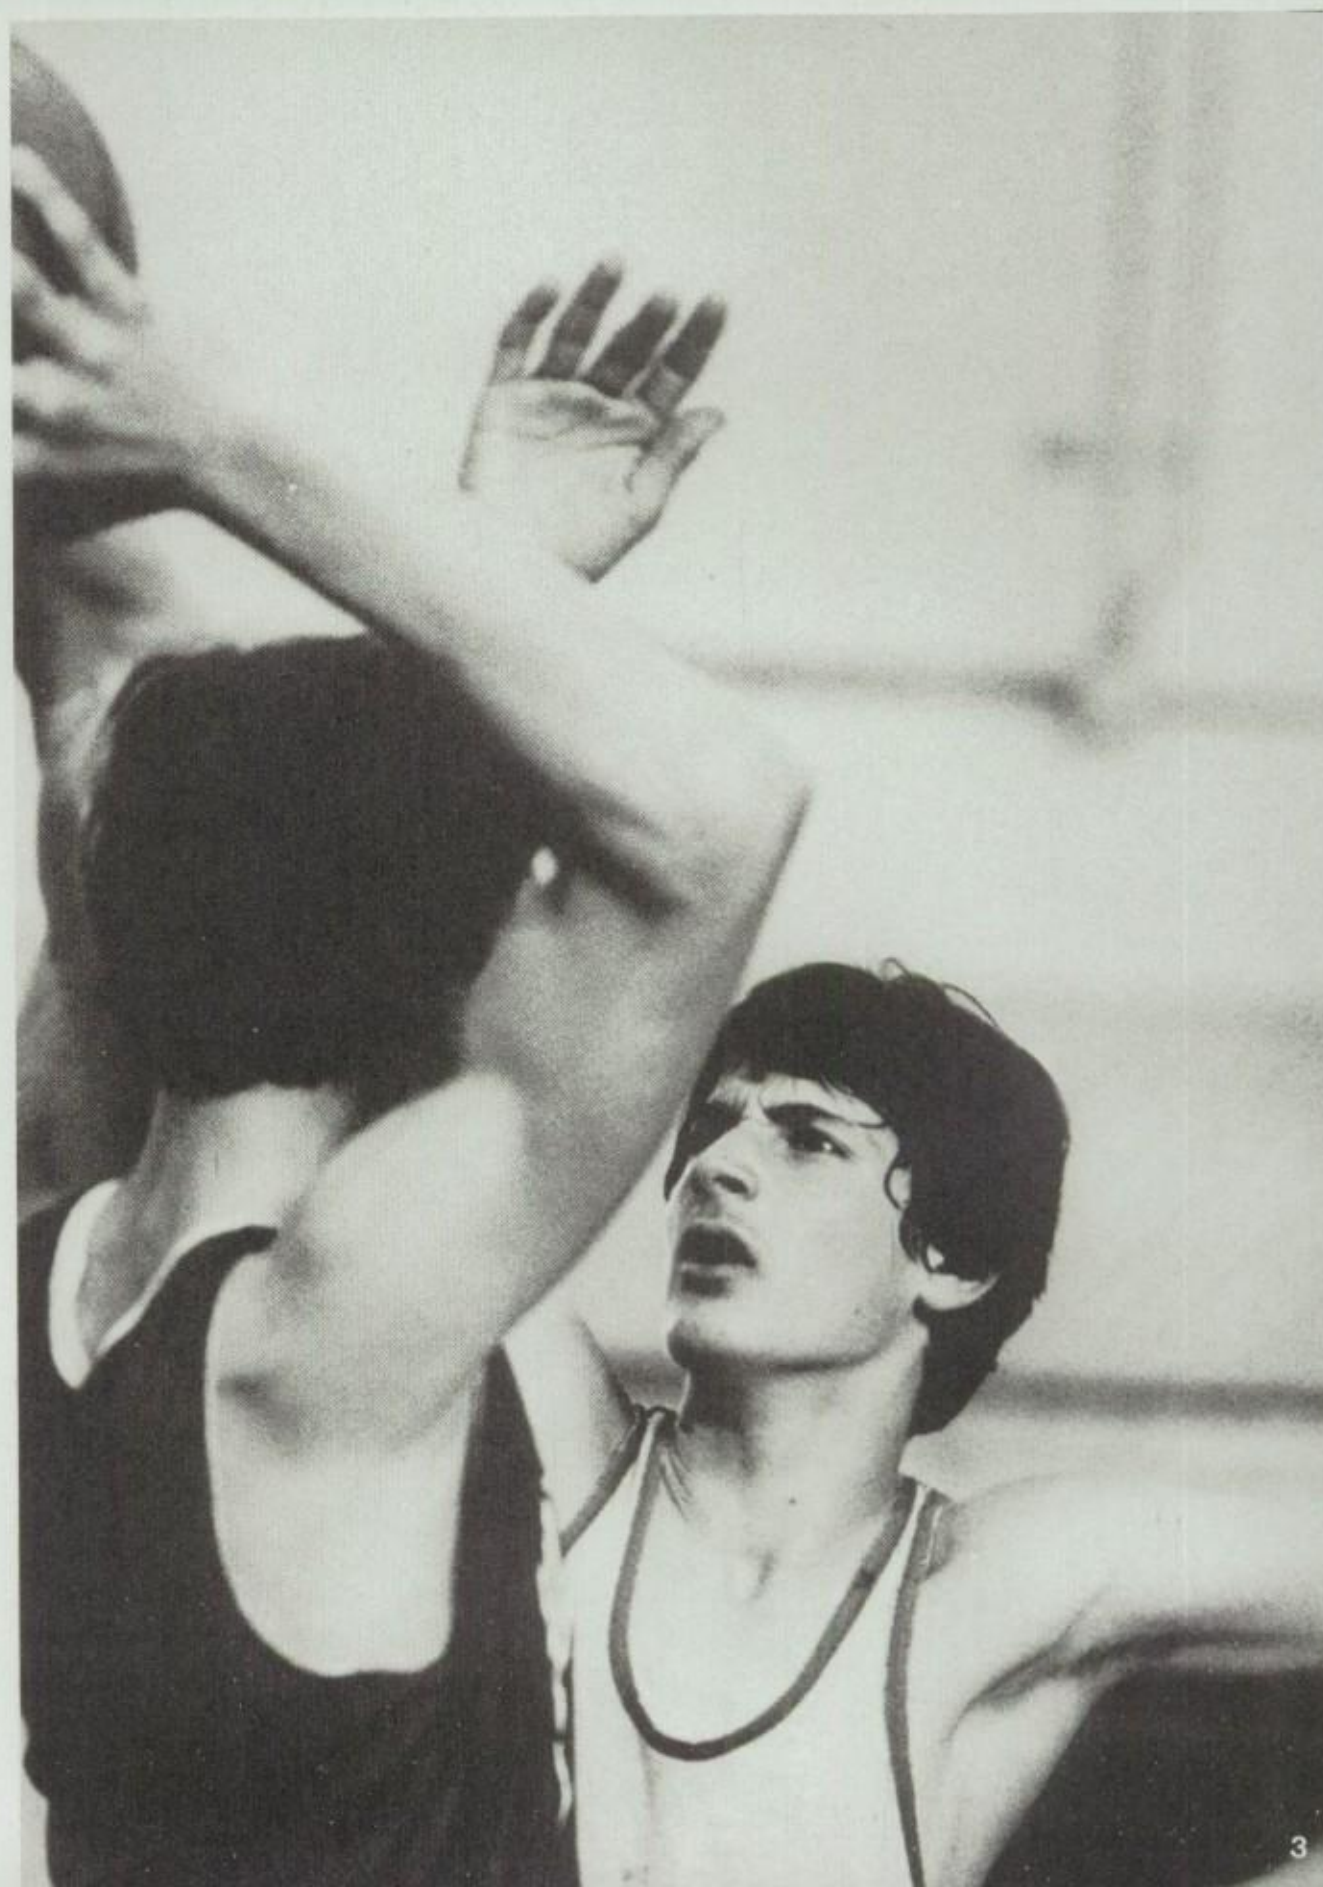

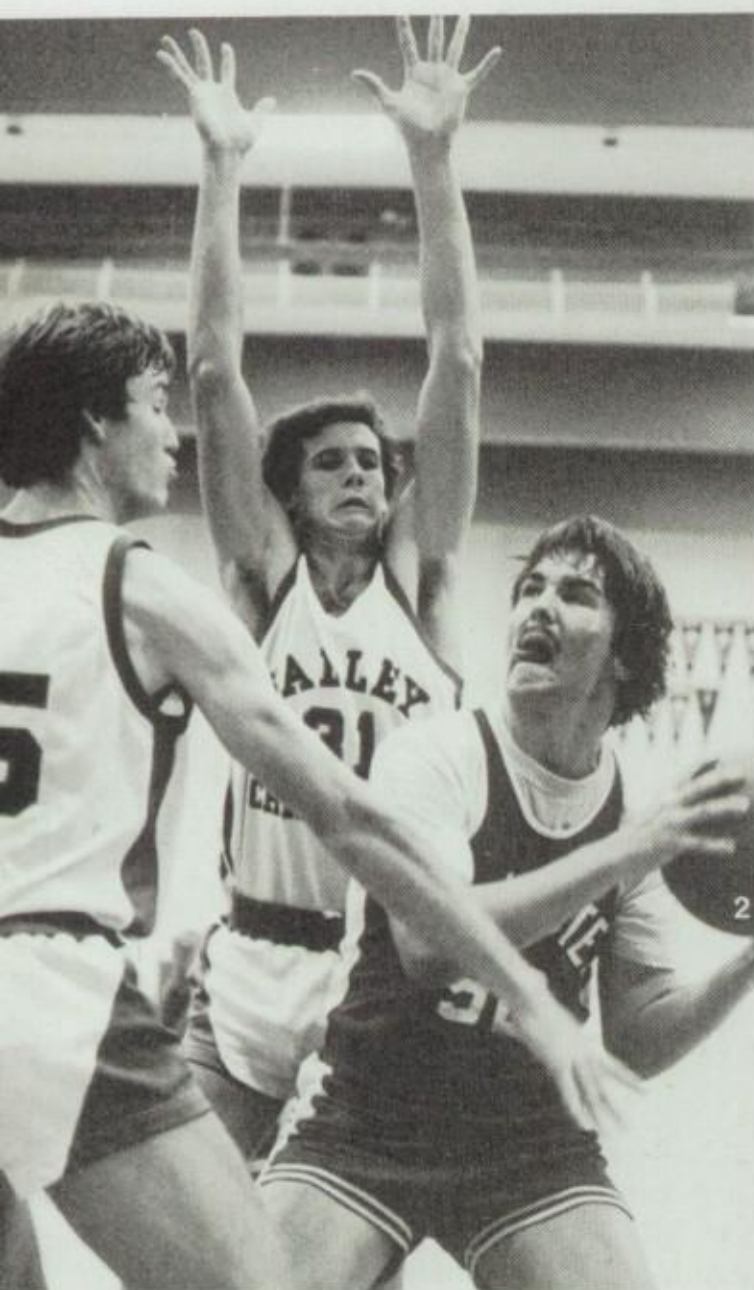

4. Ken O'Connell glides past the competition  
 5. John Foote sets one up.  
 6. Will Tipton rebounds to "score two more."

7. Bill Hernandez, Terry Duffy, Will Tipton, Ken O'Connell, David Huaracha, Bryan Foote. Back row: Salome Ponce, Manager Laurie Fike, Fritz Ureno, John Foote, Juan Olloqui, Bob Cosio, Dennis Fraser, Manager Susan Villa, Coach John Becerra.

3. Terry Duffy plays a tight defense against the North County player.

4. Ken O'Connell and Fritz Ureno go after the offensive rebound.

5. Mike Parker shoots over the North County player as David Huaracha tries to screen-out the opponent.

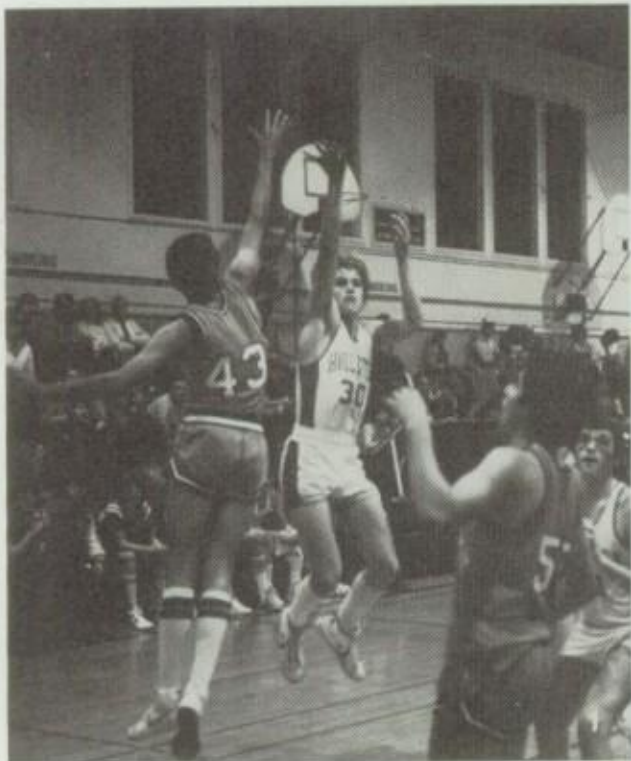

# Kip Ward and Eric Snyder Lead J.V.

This year Coach Al Hurtado put together another fine looking aggressive basketball team that often times played inspiring basketball. Led by Freshmen ball player Kip Ward, and Sophomore center Salome Ponce, the Hayseeds put together a 8-8 league record. This combined with their preseason record of 4-3 gave them an overall 12-7 record.

According to Coach Hurtado the most emotional game of the year was the one against Carmel when the Hayseeds were down by 18 points at half-time, and came back to defeat them 63-58. Coach Hurtado said, "The guys really proved tonight what they could do when adversity was at its strongest. Being down by so many points often times lets a team give up. Not our guys! They came back in the second half with a conviction not to give-up."

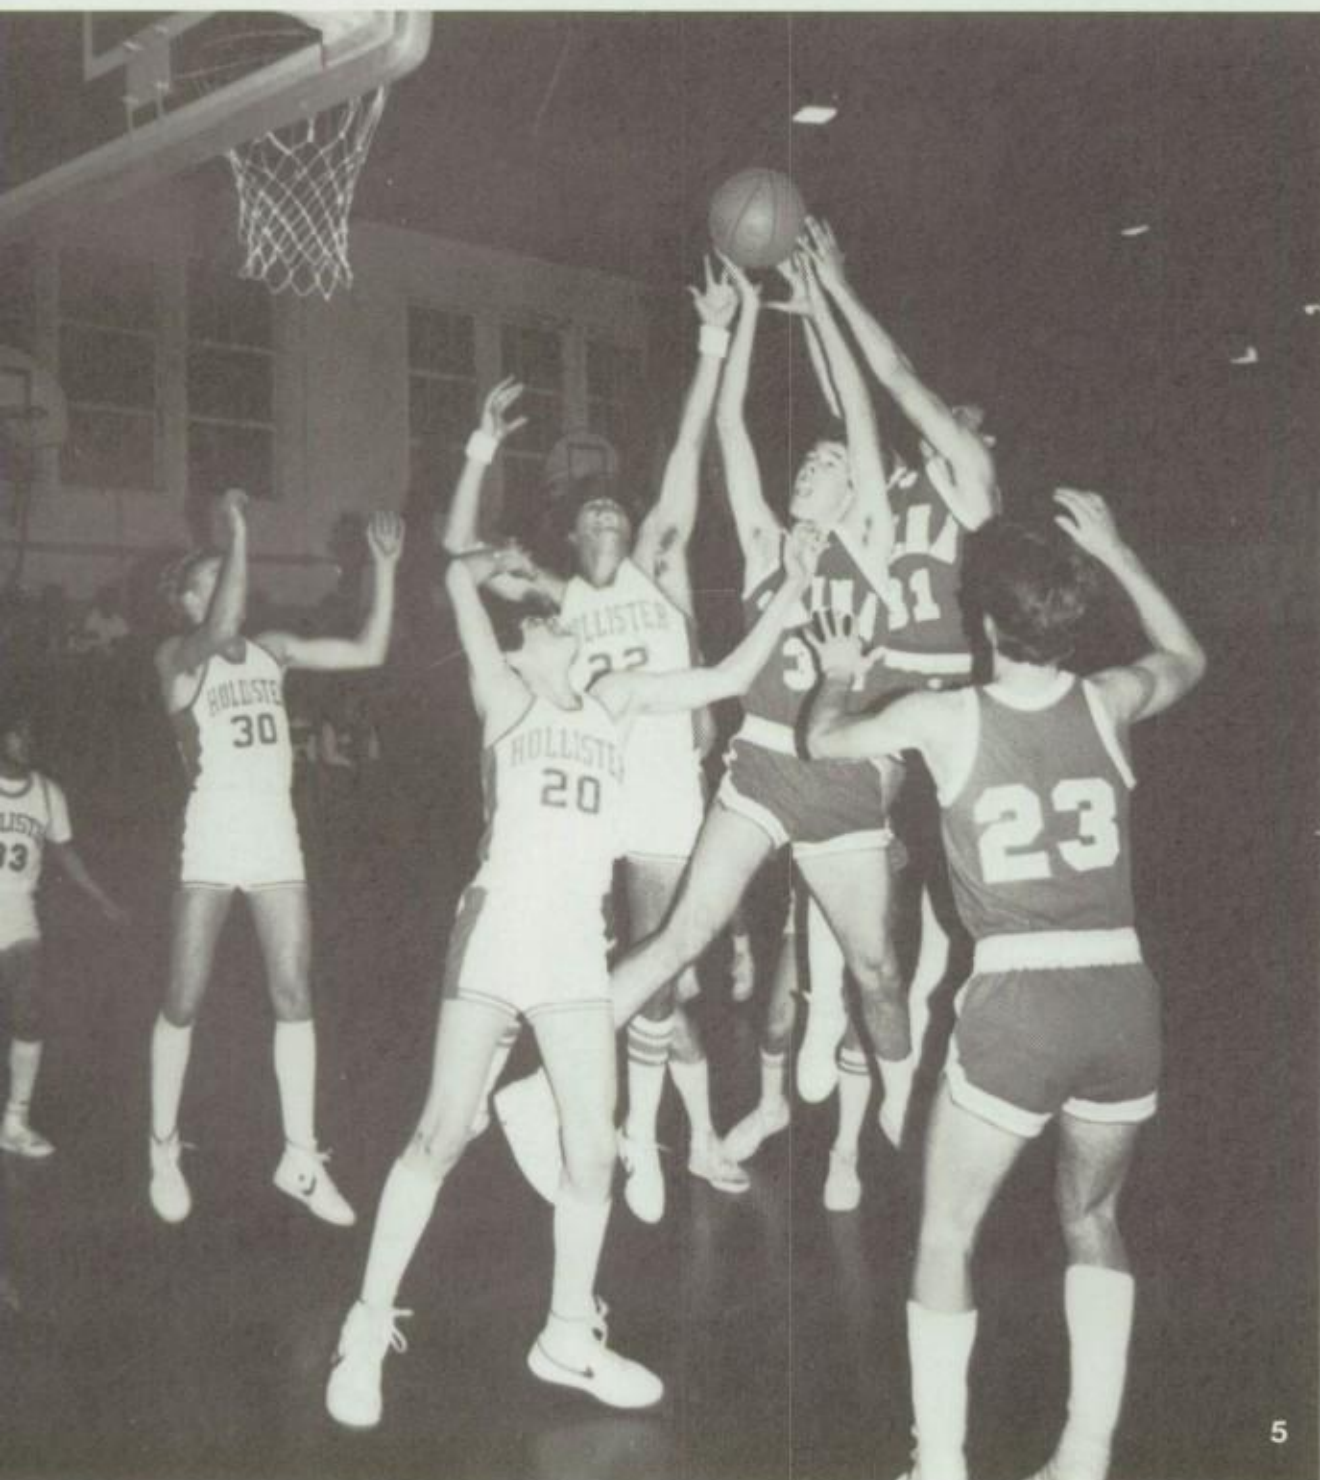

1. Freshman Kip Ward shoots for a point, while Charles Snyder goes for a rebound.

2. Front row; Alan Jones, Lindsay Ross, Pablo Castellano, Mike Gonzales, Matt Peterson, Earl Whipple. Back row: Coach Alfonso Hurtado, Eric Snyder, Kip Ward, Charles Snyder, Dave Willetter, Robin Rodriguez, Manager Richard LaCorte.

3. Eric Snyder (Team Captain) goes for the winning point.

4. Robin Rodriguez shoots for two.

5. Terry Duffy and Robin Rodriguez fight for the rebound.

6. Point guard Mike Gonzales drives the lane for 2 more points.

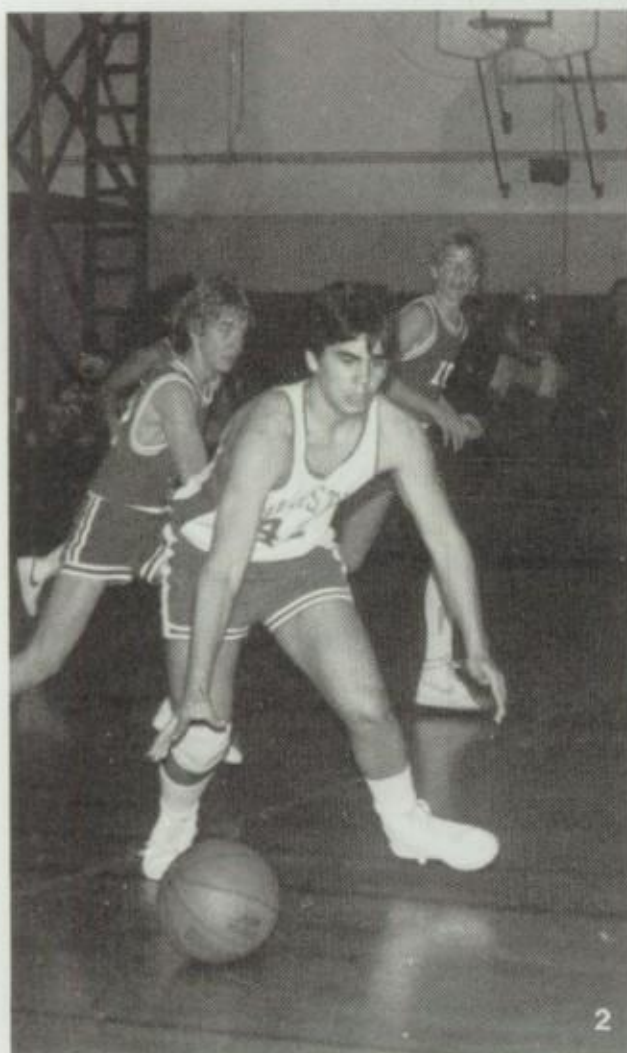

# Escalante Paces Freshmen

The Frosh team had a less than successful season ending up with a 4-13. According to Coach Larry Edwards, "It was difficult finding a starting five who could be consistent from week to week. I played as many players as possible in order to find the right combination."

The freshmen team were led by Marco Escalante, Frankie Perez, Frank Borelli, Steve Vallejo, and Fred Rautman.

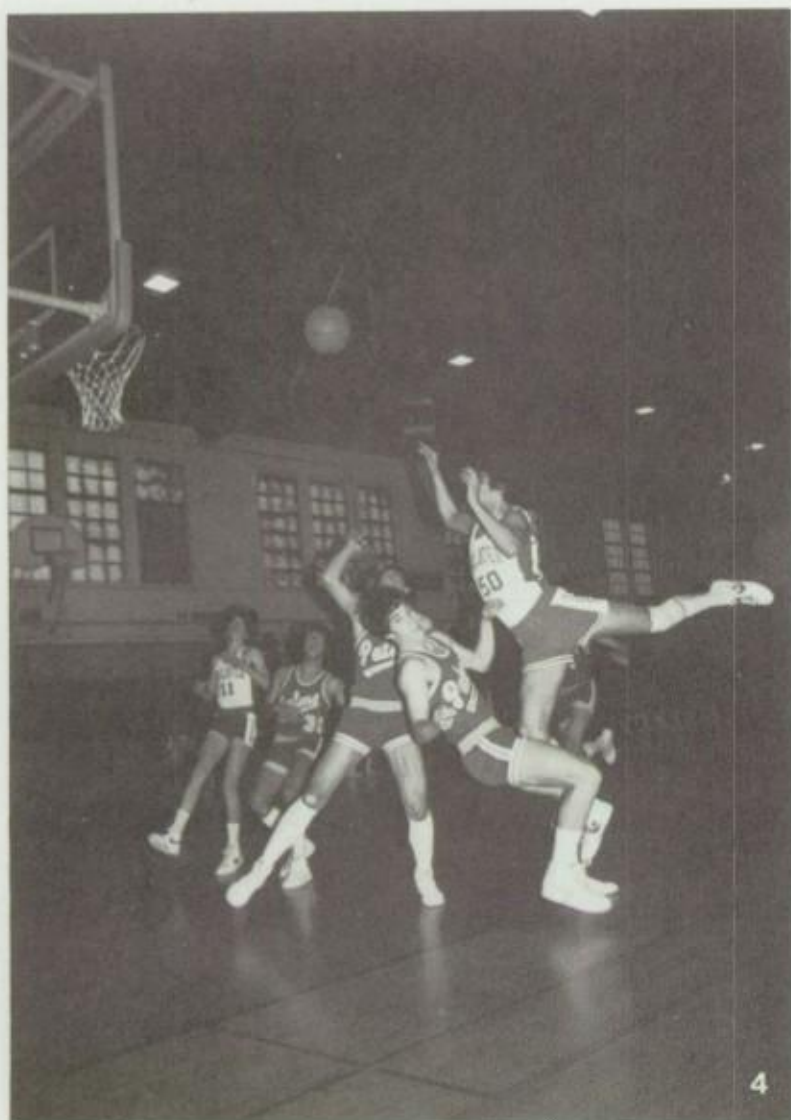

The team ended the season on a bright note by taking Palma, but their MTAL record was 3-11. Helping on the offensive and defensive rebounds was Marco Escalante. He also had the high average during the season in points scored. Mr. Hustle was given to Steve Vallejo as he was whirlwind of excitement while on the court.

1. Mike Stone just misses taking the tipoff.
2. Kevin Menezes brings the ball down court

3. Marco Escalante sets-up low as Steve Vallejo drives the lane for 2 points.

4. Marco Escalante draws the foul as he drives the lane for more points. Fred Rautman sets-up for the offensive rebound.

5. John Hernandez gets caught in the air trying to get the ball.

6. Front row: Vance Lee, Steve Vallejo, Frankie Perez, Fred Rautman, Ray Milyar, Frank Borelli. Back row: Kevin Menezes, Paul Peterson, Vince Stafford, Jackson Barnard, Marco Escalante, Adam Breen, John Hernandez, Coach Larry Edwards.

# Varsity Goes to Playoffs Again

The Baler Girl's Varsity team finished a fourth place in the MTAL. Under a new playoff format this year, the team was able to go to the Regions. Unfortunately a loss to powerhouse King City brought the end to a 10-13 season.

The Balers were led by Seniors Collette Solorio, Renee Renteria, and All-MTAL selections Lisa Baumgartner and Donna Hodges. Fast breaking and a strong defense were the calling cards for the success of the team this year. Unfortunately periods of cold shooting kept the Balers from taking the title, but with a strong F/S team and the return of some of the juniors and sophomores the Balers could be contenders again next year.

Senior Donna Hodges, already a unanimous all-league selection in Volleyball, was recognized by the MTAL coaches as the Most Valuable Player in the league. Donna was also averaging 16.6 points per game placing her amongst the scoring leaders in the Central Coast Section.

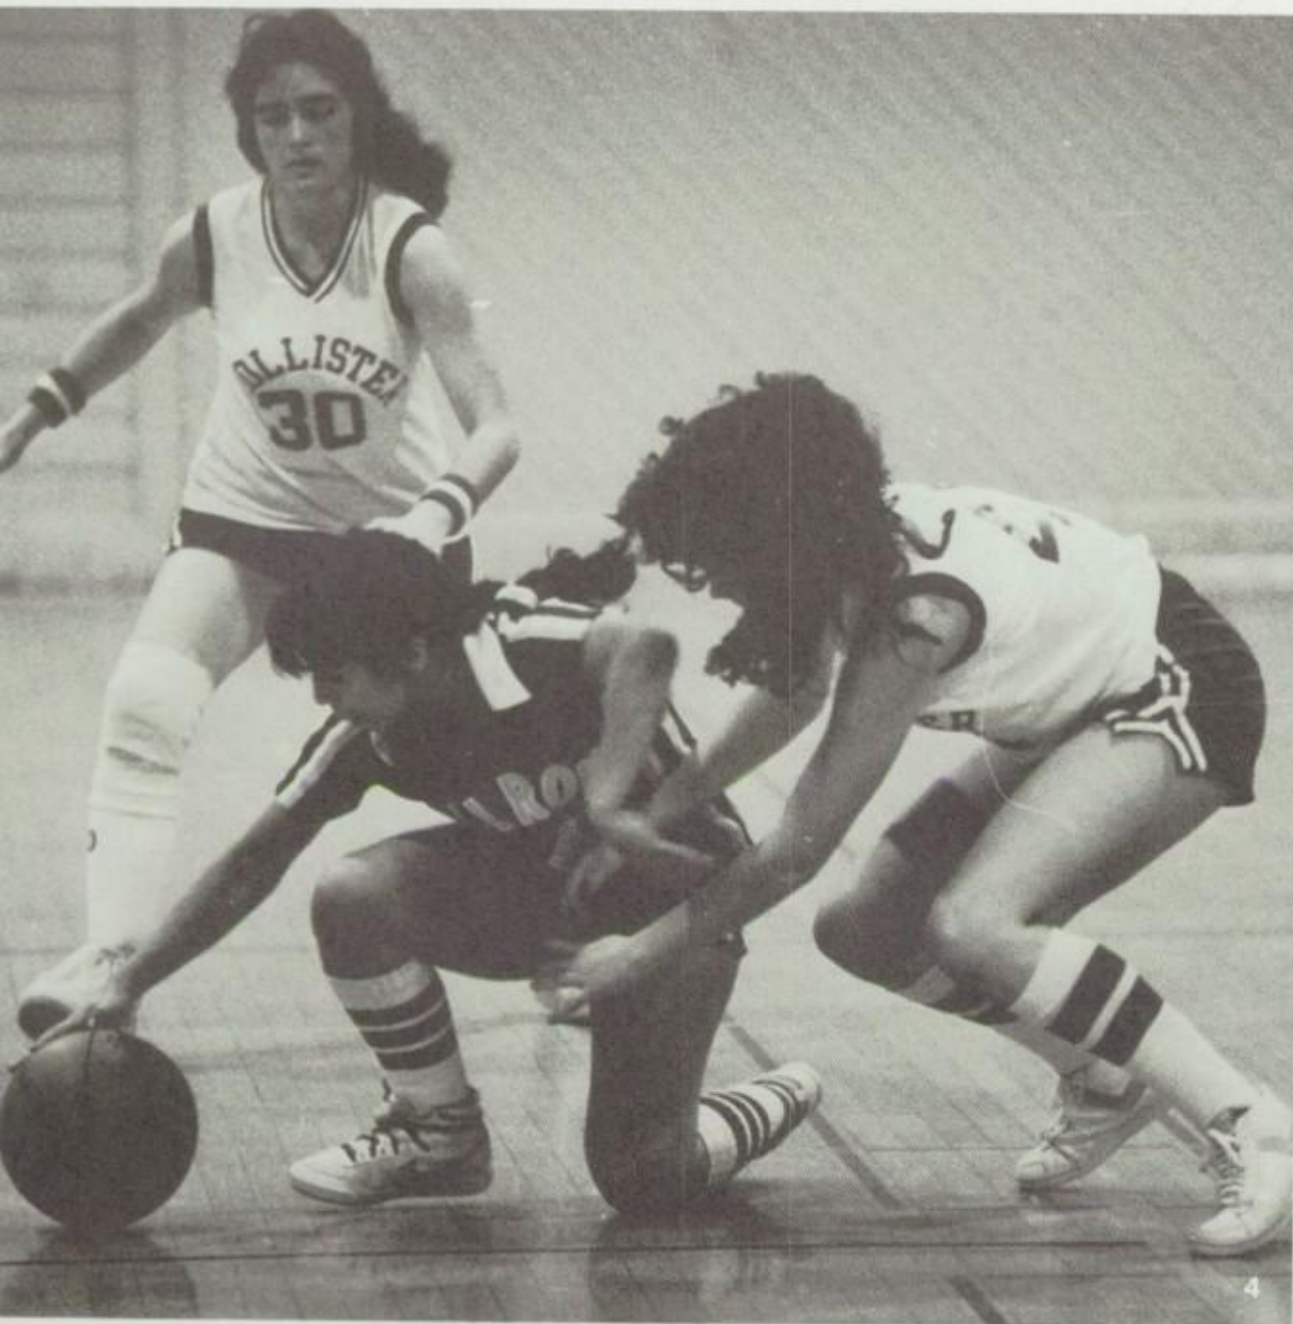

1. Front row: Renee Renteria, Donna Hodges, Lisa Baumgartner, Lynn Brockbank Back row: Heidi Croft, Tammy Silva, Pam Tuckness, Coach Bob Mattson, Collette Solorio, Mary McCullough, Cheri Cosio.

2. Mary McCullough uses Collette Solorio's screen wisely.

3. Pam Tuckness gets her shot blocked by Gilroy's center while Lisa Baumgartner gets set for the rebound.

## Polanco Paces F/S Team

Coach Ron Leonti was the F/S girl's basketball coach this year. The squad was basically all freshman players, but the top player for the year was sophomore Davina Polanco. Davina ended the season with over a 12 point average per game. Often times she was double and triple teamed in efforts to stop her effective under-the-board shooting.

Helping out at point guard were freshmen Dee Ann Reece and Yolette Villareal. Helping out under the boards were freshmen Brianne Berlin and Jenny Solorio. Stacey Stadler often times had the hot hand when Polanco was double teamed.

With the loss of quite a few seniors from the Varsity, some of the frosh-soph players may have an excellent chance of making the top squad next year.

4. Brianne Berlin just misses blocking the shot.

5. Jenny Solorio puts her arms into the shooter's face.

6. Sophomore Davina Polanco brings down defensive rebound as Yolette Villareal looks on.

1. Third-baseman Brooke Murphy applies the tag to an Aptos runner.

# Varsity Hopes To Keep Championship

This year's girls' varsity softball team has only five returning members from last year's championship squad that finished league with 13-3 record. The returning members are seniors Linda Keene, Trisha Rey, Junior Bev Whipple, and Sophomores Davina Polanco and Tammy Silva.

All-league players Krystal Martin, Tammy Rose, and Honorable Mention player Yvonne Pelaiz will be sorely missed when the Baler girls take the diamond. Taking their places are Freshman Stacey Stadtler, Sophomores Anne Taylor and Yolanda Jimenez.

The Balers should again be quite strong defensively, but pitching could be suspect. Pitching for the Balers this year will be Anne Taylor and Bev Whipple. Shoring-up the infield will be Tammy Silva (3B), Stacey Stadtler (SS), Trisha Rey (2B), and Bev Whipple (1B). The outfield will consist of Kelly Lomanto (LF), Linda Keene (CF), and Roberta Gonzales (RF).

If the Balers get off to a strong start and their defense and pitching come through, they may again repeat as MTAL Champs.

4. Shortstop Julie Yanez plants and readies to fire to ball across the diamond.
5. Junior second-baseman Margi Tobias stretches for the throw from 3rd.
6. Senior Linda Keene tries to avoid the tag at home plate.

# Mendez Sparks F/S

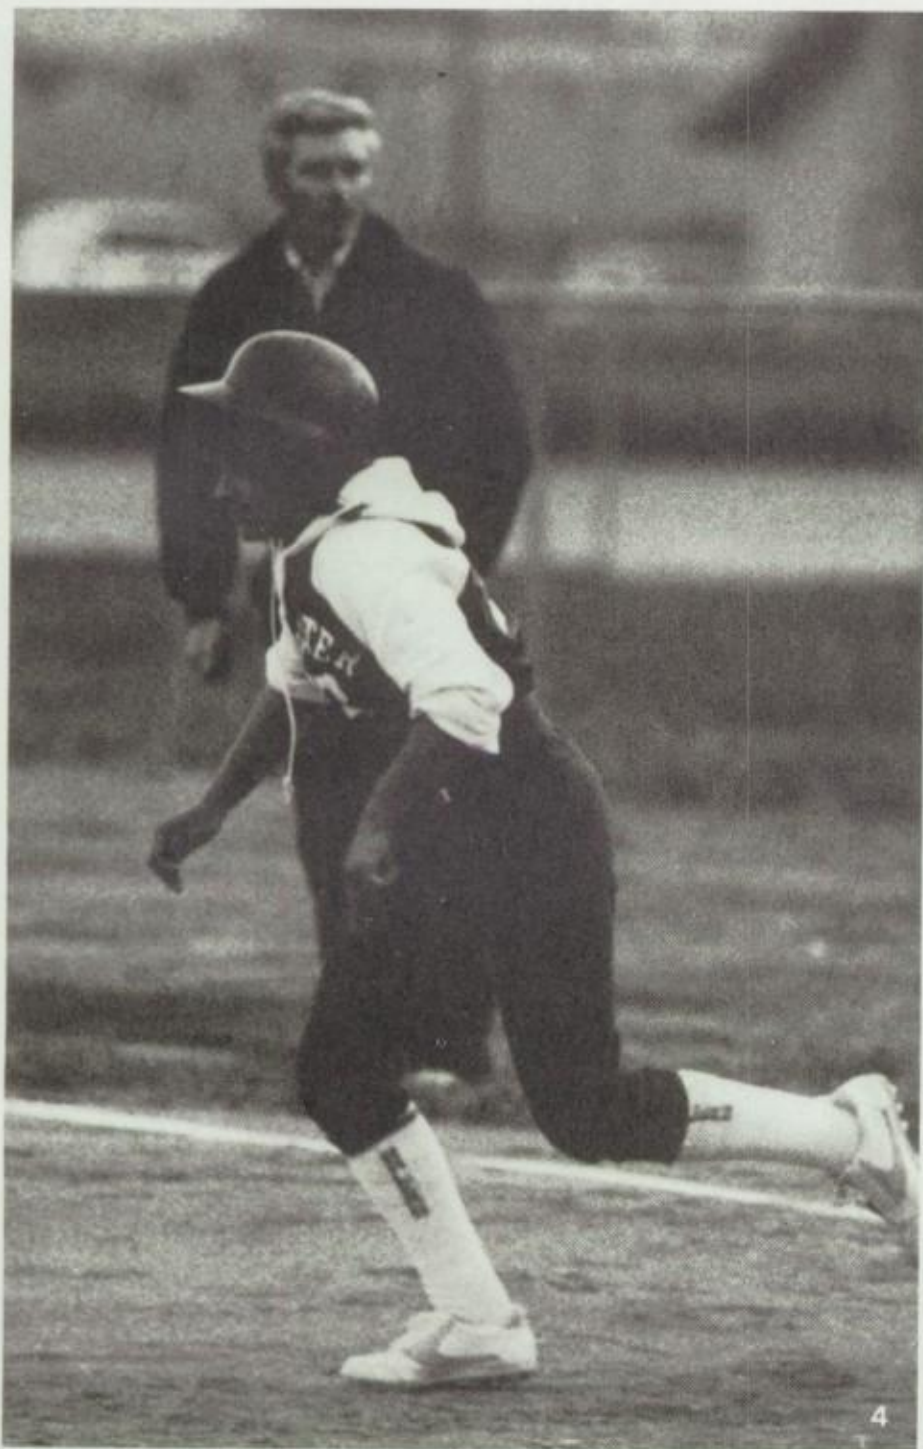

Coach Joe Somavia is the new Frosh/Soph coach for this year's squad. Led by sophomores Brooke Murphy, Carla Ball, and Carmen Estrada the softball team should be in contention for the championship.

Early season strong pitching by Freshman Stacey Mendez and Angie Dozal, has the team record at 4-3. Strong hitting by Mendez, Dozal, Ball, Estrada, and Murhpy combined with strong defensive efforts by Mona Acosta, Dee Dee Para, and Michelle Pulido should keep the team within reach of a league title.

1. Freshman pitcher Stacey Mendez rifles another ball toward the plate.
2. Stacey Barrios readies for the next pitch.
3. Freshman Danielle LeDuc crosses homeplate for another score.

4. Zulema Rodriguez takes second on a base hit.

Bottom row: Zulema Rodriguez, Mona Acosta, Maricela Ortiz, Kelly Bourassa, Stacey Barrios, Stacey Mendez, Jennifer Mills, Danielle LeDuc, Brianne Berlin

# Varsity Baseball Leads The Pack

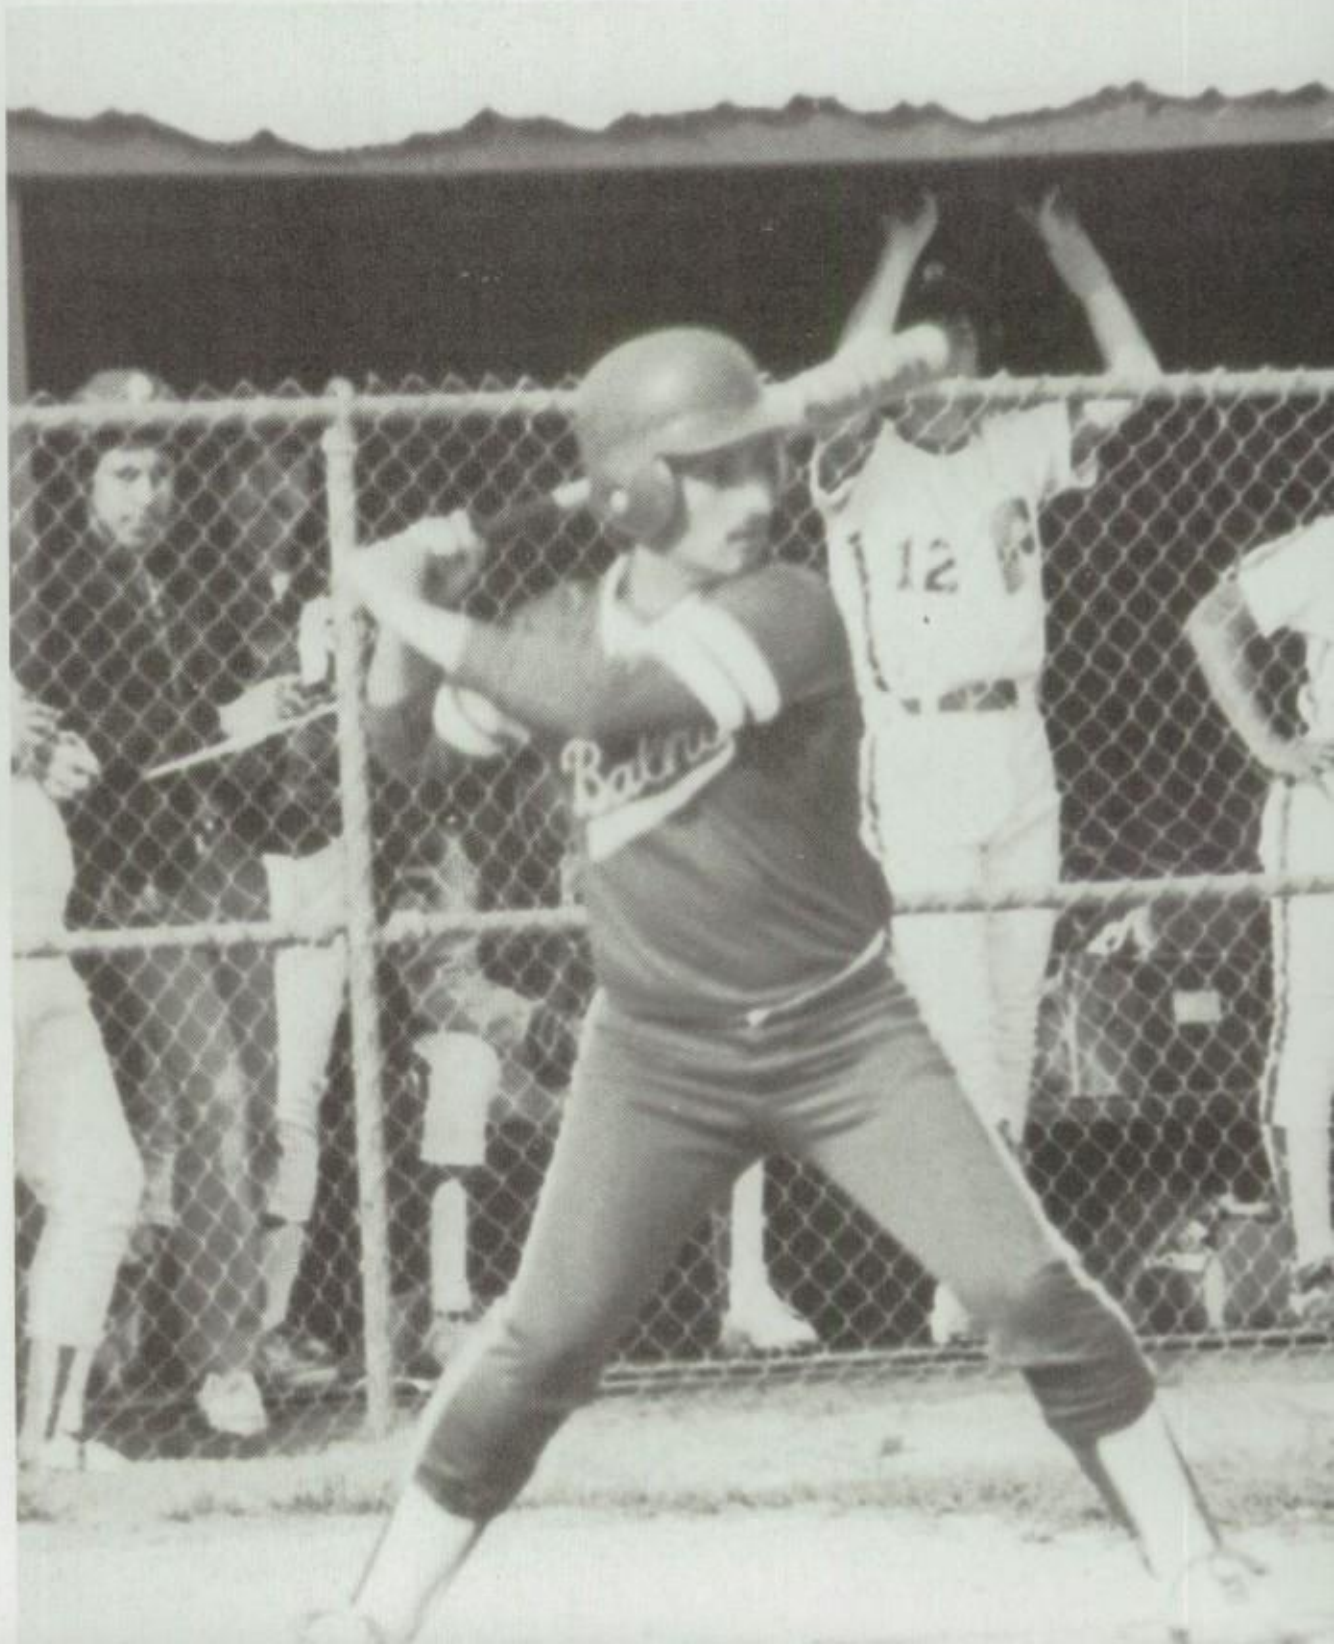

An early season lead of the MTAL by the varsity baseball team has surprised many persons. Coached by Mr. Rob Diggle, the team will try to get back into the CCS playoffs for the third year in a row. Finishing second to Pacific Grove last year, the Balers hope to pound-out a few extra hits while hoping to eliminate errors both mentally and physically.

The pitching staff will be led by Ed Canez, David Wright, Chris Puthoff, and Luis Urbina. If the pitching staff can come through with timely performances the squad will again be in the hunt for the title.

Outstanding hitters for this year's team include Al Tortorelli, Luis Urbina, David Wright and Ed Canez.

1. James Martinez steals second and forces the throw into centerfield.
2. Kris Puthoff and Jose Martinez look-on from the bench.
3. Eddie Canez readies for another of his team leading hits.

4. Secondbaseman Rich Dominguez turns the double play.

5. All-leaguer David Wright showing his "stuff" against Palma.

6. Picked-Off! David Wright's pick-off motion works again.

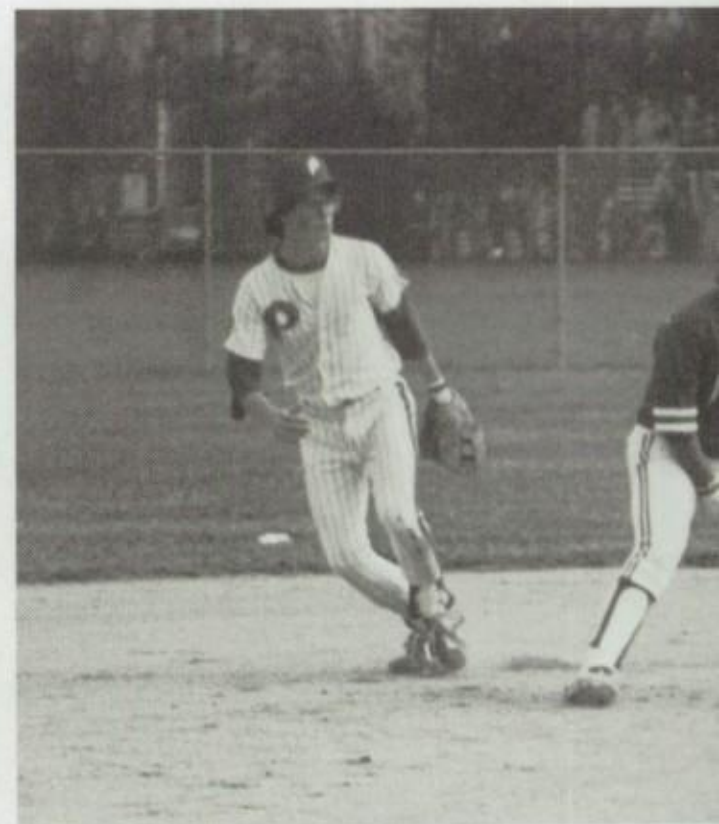

# McAbee Helps Keep Frosh/In Lead

This year's frosh/soph baseball squad will have a hard act to follow as last year's team finished league with a 13-1 record taking the league title. A few changes this year brings a new coach, Mr. Bill Johnson.

A very young team will be representing the frosh/soph contingent. Some of the outstanding players for this team are: shortstop Rudy Reys, pitcher and firstbaseman John McAbee, and thirdbaseman Sam Lomanto.

The team got off to a slow preseason, but is now 2-2 in league play. The squad should again be fighting for the title if the players have some clutch hitting and pitching. According to coach Johnson, "One of the biggest concerns I have for this year's squad is having the guys learn the fundamentals of the game. This include the mental part of the game which is just as important as the physical part."

1. John Hernandez putting the tag on the Palma runner as he crosses the plate.

The girl's track teams are pounding the turf running to victory. The Baler girls are again led by returning MTAL high jump champion Lisa Baumgartner.

Last year Lisa made it to the CCS finals culminating a very successful season. This year she is again reaching back higher and higher to take the title again. Maria Salcedo, the defending MTAL champion in both the 110 and 330 low hurdles, is also starting in fine form by taking quite a few races already.

# Snyder Breaks Pole Vault Record

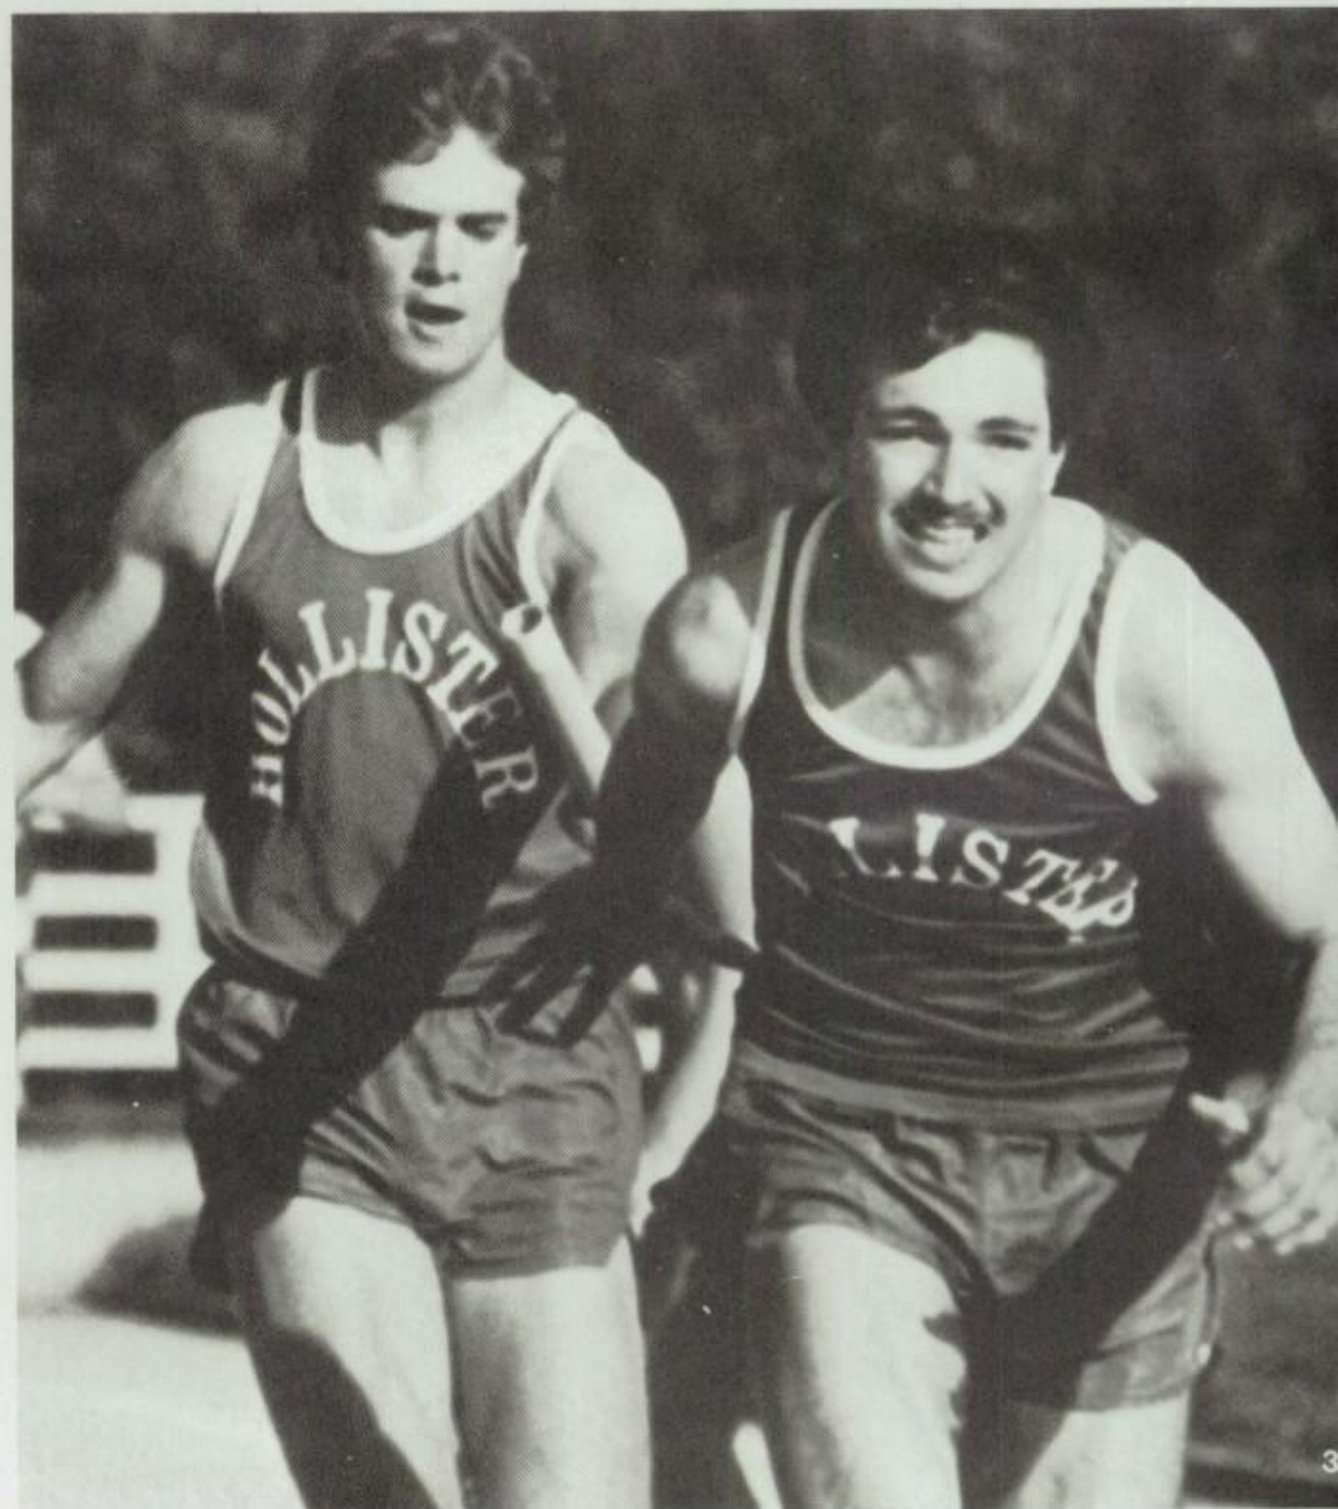

Steve Snyder started the young track and field events off with a bang by breaking the long-standing school pole vault record by jumping 14.0'. A strong contingent of tracksters coached by Mr. Ron Leonti will definitely cause some eyebrows to be raised during the season.

An early season meet against perennial dual meet victor Palma Chieftains showed what the Balers could do when pushed to the limits. The Balers surprised the Chieftains, who have won all their dual meets in 6 years, by almost beating them at Hardin Field. If a couple of persons were not sick for the Balers, the victory would have been ours.

Strong individual performances have been turned in by Robert Gonzales, Steve Snyder, Eric Snyder, Butch Green, Mike Harn, and Rich Sweeten.

1. John Arballo puts "his all" into the metal ball.
2. Matt Jones flies over the hurdles stretching out at each standard.

# Baler Netters Swing Into Action

According to Coach Stan Breslauer, "This year we have a young team, so we will shoot to improve match by match and go for a winning season."

In singles play, the #1 position was held by Jeff Arnett; #2 position was held by Rich Pascual; #3 position was held by Tony Ramirez. This year's team captain is Senior Cesar Tambo.

The number one doubles team consisted of Sophomores Ernie Dilley and Greg Churchill.

Coach Breslauer says, "We hope to get into third place this year, but what is really important is our doubles play. With continued improvement, we should challenge Carmel and R.L.S. for the third place."

1. Freshman John Hosler steps into the ball with an aggressive swing.
2. Tony Ramirez effortlessly returns his opponent's serve.

# Golf Team Tees Off To Success!

With beautiful Spring weather upon them, the Hollister High School golf team is off to a fine start this year. Coached by Mr. Bob Mattson, the golf team should be shooting for the championship in a new league comprised of teams from North Salinas, Salinas, Gilroy, and Alisal High Schools.

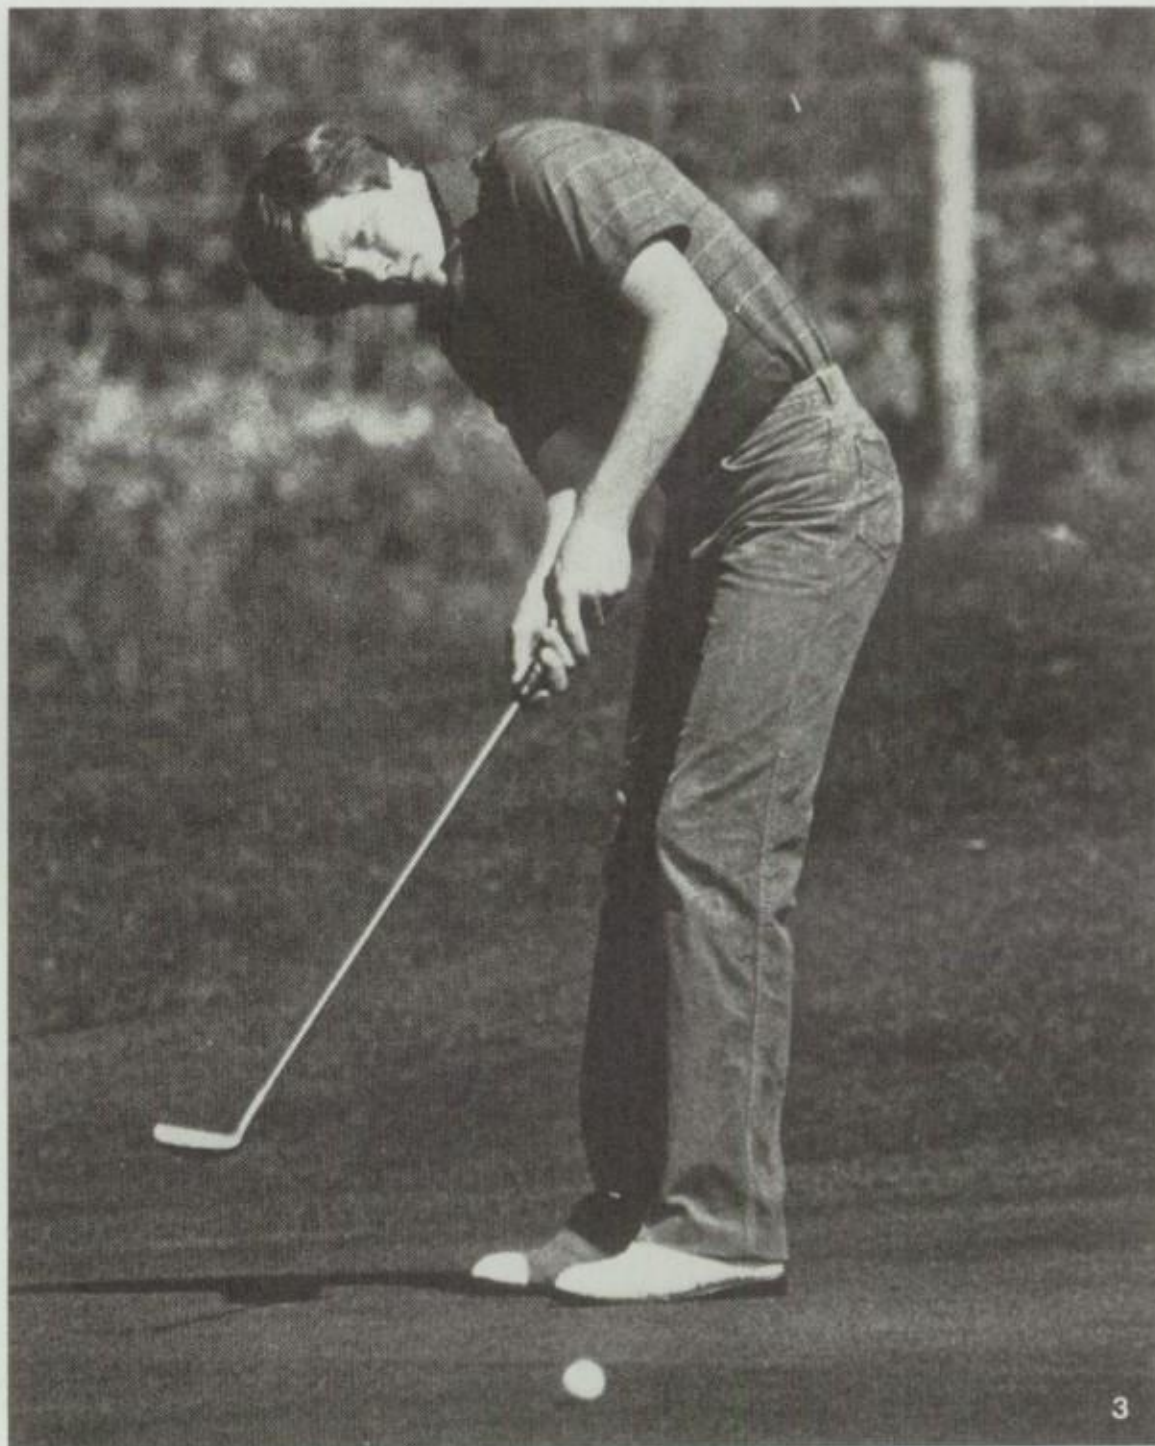

Coach Mattson says, "This year our golf team is led by Will Tipton and Randy Bridge. Other outstanding putters include: Roger Ratajczak, Steve Gularte, Eddie Ordonez, and Joe Silveira. Max Sparrer, Fred Rautmann, Scott Freitas, and Dan Kelsch rounded out the team.

The team is swinging on a winning note playing a tough preseason schedule against such teams as San Jose's Belermine golf squad. The Fourth Annual Hollister High School Golf Tournament was again held at Ridgemark Golf and Country Club.

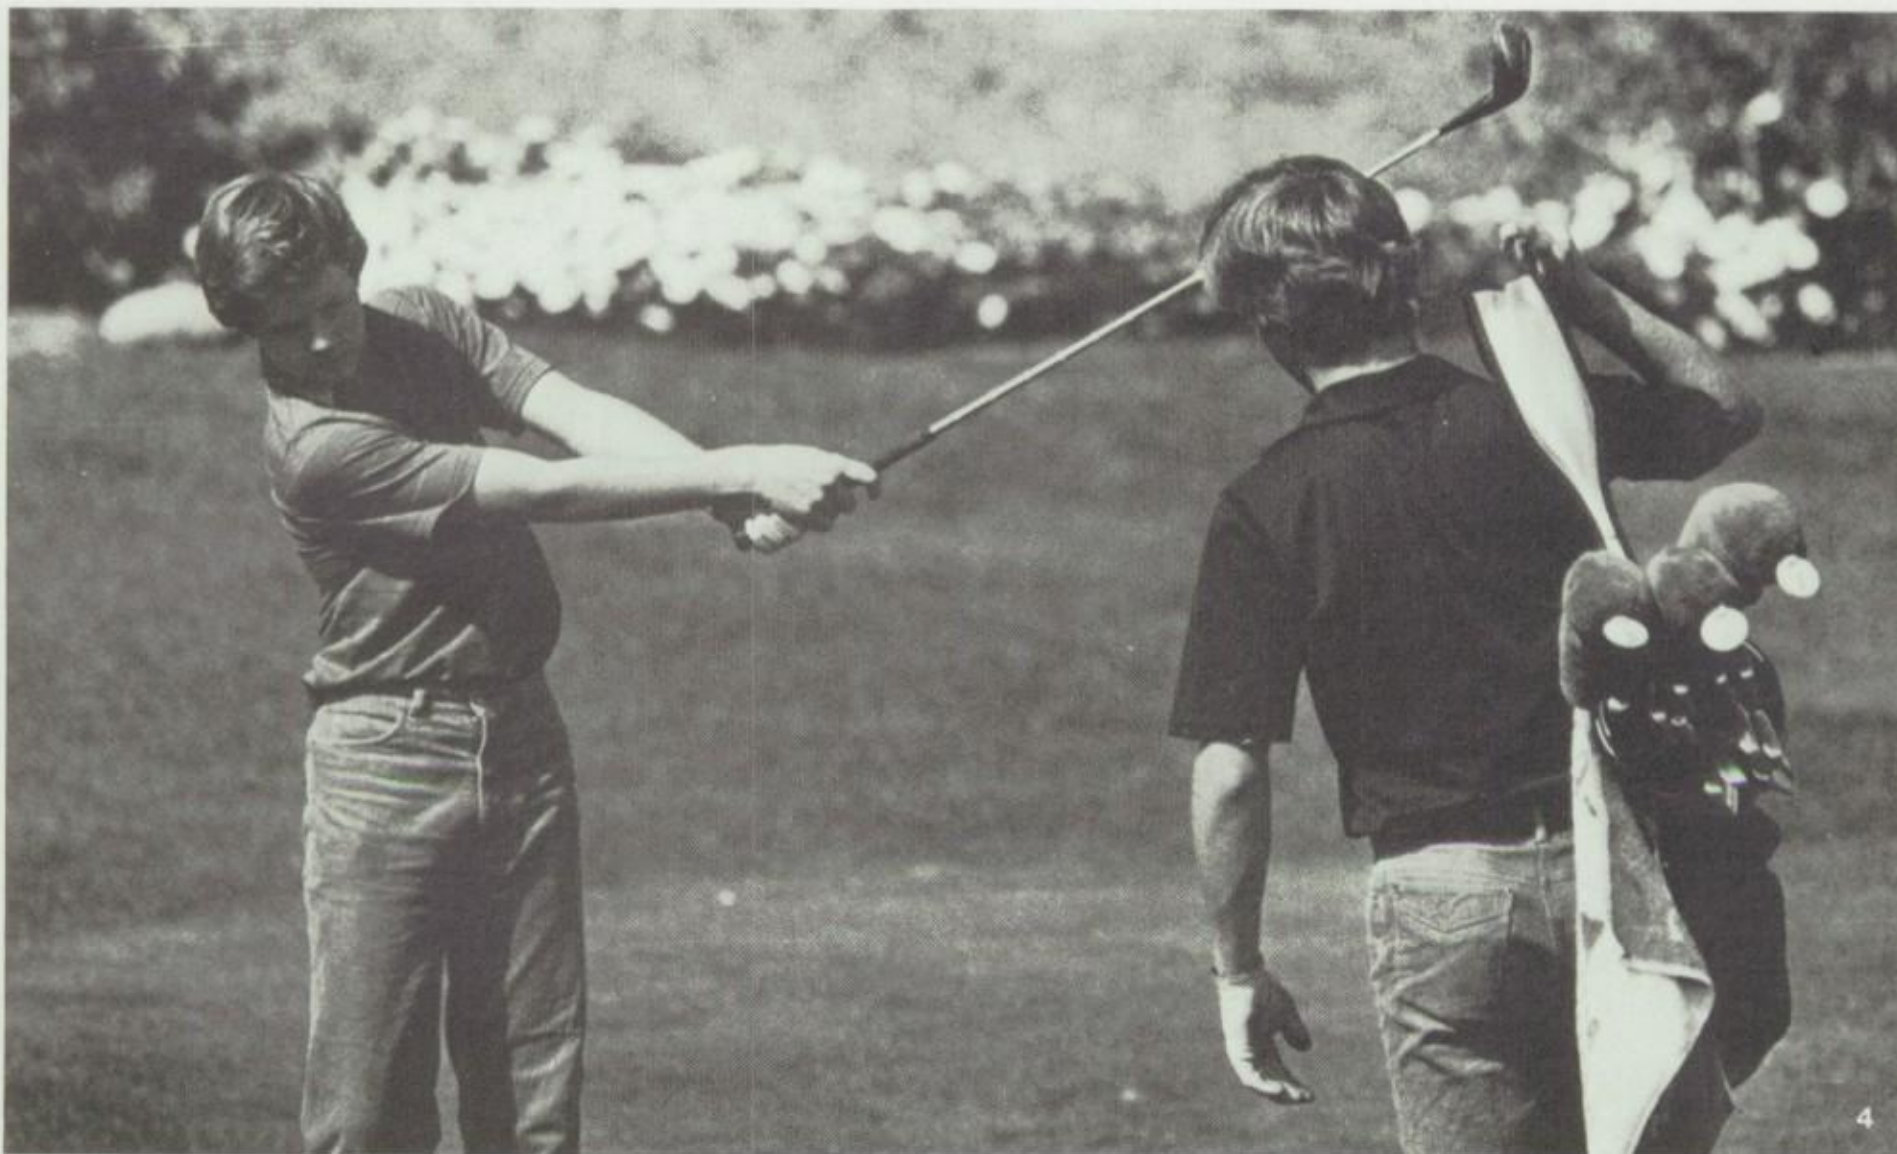

To date, the team's nonleague record is 7-3.

## Balers Become Involved In School Clubs

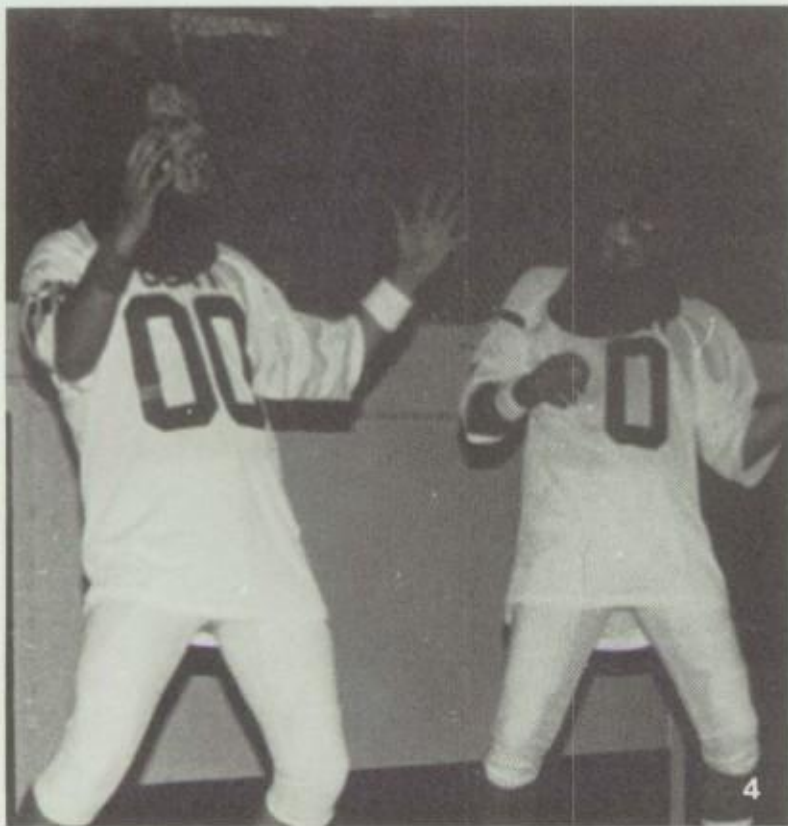

This year some clubs went through a few changes. French Club acquired a new advisor, and FHA became FHAHERO. Names and advisors weren't the only changes. Volleyball and Soccer clubs were eliminated from the students choice. The reason being that it was felt that since HHS had both teams, it wasn't necessary for HHS to have these sports based clubs.

Some club sponsored activities included: Easter basket sales by AFS, Pan Dulce sales by Club Estudiantil, The Barn Dance by FFA, The Pigman by The Drama Club, Senior Parents Night by FHAHERO, and numerous flower sales from nearly every club on campus.

# Student Council's Self-Government Promotes A Spirit of Cooperation

Comm. of Finance Jose Macias stamps purchase orders, check requests and the bill list APPROVED.

Julia Hyun and Michael Rocha read over Maria's minutes before calling a motion to approve them.

The organization is known as the Associated Student Body of San Benito Joint Union High School. Its purpose is to provide opportunities for the students of the high school to participate in the government of the school; to encourage intellectual, social and athletic attainment, and to further the interest of the student

to improve the image of our school. Thirteen officers are collectively known as the Student Council. The major responsibility for the functioning and success of a student body organization lies in the hands of its officers. These students represent the best in leadership, native ability, enthusiasm and interest in the

program. No student body officer is ever chosen by popularity alone, as that is just a small part of leadership qualities. This year the council helped out with the evaluation of the litter after lunch each day. As a result, we got out early many Fridays.

President Mary Perrien checks off the items on the agenda that have been discussed.

Close Up's trip to Washington D.C. took place this year again. It wasn't easy for the twelve students to raise the seven hundred dollars apiece. They had a candy sale, enchilada sale and got big donations from local organizations. After

the money was raised the kids were off to Washington on February 19. The stay was one week long during which students met with important people that help run our government. The interested students had to attend classes

to educate themselves about the way our government works. The students also had free time in which most went sightseeing or shopping and in the evening had a banquet and a dance all set up. All in all everybody had a good time.

Upon arrival at Virginia's airport, Jenny Francom, Beverly Carter, professional basketball player Darren Day, Cathy Coombes, Maria Espericueta and Tiffany Lambert all pose for a snapshot.

Representative Leon Panetta gave San Benito High and Salinas High students a very informal, informative talk in the House Building.

This year's Rally Club was led by President Trisha Rey and advised by Ms. Jill Clark. Throughout the school year the club presented unique and often times outrageous skits that kept the students rolling in their seats. The

club had fundraisers throughout the school year.

The purpose of the club is to promote school spirit, sportsmanship, participation and friendship in and between schools. This year's club has

definitely fit the billing as school spirit has been very high all year. Two other clubs were combined with the Rally Club; the Soccer Club and Volleyball Club. This was an effort to support all teams at school.

# Sharing the Spotlight

The gun goes off and the band steps on the field. It's half time! But its more than just the band that makes half time great. It's the auxilliary units that add class to the band. Such as Miss Drill Team U. S. A. held in Santa Monica in February. Both teams have attended summer camps where drill team won first place in their routine they took to camp and a spirit stick for team unity. In the past, we were the most active club on campus." The club's activities during the first week of May are "to commemorate Cinco de Mayo." There was a joint effort with MECHA this year to have the student body recognize the significance of this date. The club had bi-weekly pan dulce sales and held a corsage/boutonniere sale before Christmas as fundraisers. # Percussion Takes Trophy Again at Tracy

This year's Baler Band under the direction of Mr. Don Neddeau, again provided the school and community with great performances throughout the year. The Band performed at cities such as Cupertino, Tracy and Pacific Grove. At each of these performances the band came out with a trophy

usually first or second place. The Percussion Section or Drum Line went to Tracy and proceeded to take first place for the fourth year in a row. The group is assisted by former drummer Dean Machado who takes the students through their routines. Drum Major Jackie Dilley led the band in their

halftime football performances during the fall and at the band reviews. The Jazz Section has given a stirring performances for the school at assemblies, and standing ovation usually follow.

# Junior State Practices Politics

Junior State is a club that was started two years ago with the help of its advisor, Mrs. Hall, and interested students like incumbent president, Robert Sugiura. The activities of the group are mainly attending conferences. This year Junior Statesmen participated in the Fall Overnight, Model UN, Stanford's One-day Conference, Spring State and San Raphael High's Mock Presidential Nomination Convention. Some of the topics discussed or debated have to do with the 1984 presidential election and the controversies attached to each nominee. Fund raisers to help pay for the cost of conferences include enchilada sales and long-stem roses the last day of school. The summer programs available through JSA allow students to work with elected officials of the State of California at UC Davis and Georgetown University.

## Pigman Opens Drama Clubs' Season

1. Rene Renteria and Donna Hobson get ready for their next act.

2. Wayne Purves and Marie Rajkovich practice their crank phone call for *The Pigman*.

3. Murat Montero listens to Marie Rajkovich as she talks on the phone.

Usually, the Drama Club tries to sponsor two plays annually. This year, they sponsored one, of fantastic quality. The leading roles were "John," played by Wayne Purves, "Lorraine," played by Marie Rajkovich, and "Mr. Pignati," played by Mike Parker. Under the direction of Mr. Allen, these three main characters were portrayed with sensitivity, and pride. The play was first performed for the Student Body at a special assembly. The overwhelming reaction of the Student Body led to the success of the play, when performed for the public.

4. Wayne Purves and Marie Rajkovich sit, waiting for Mr. Pignati.

5. At last!! Mr. Pignati, "a.k.a." Mike Parker, emerges to greet his guests.

6. Kristinia Anderson makes up David Pacheco's face, for the opening night of "The Pigman."

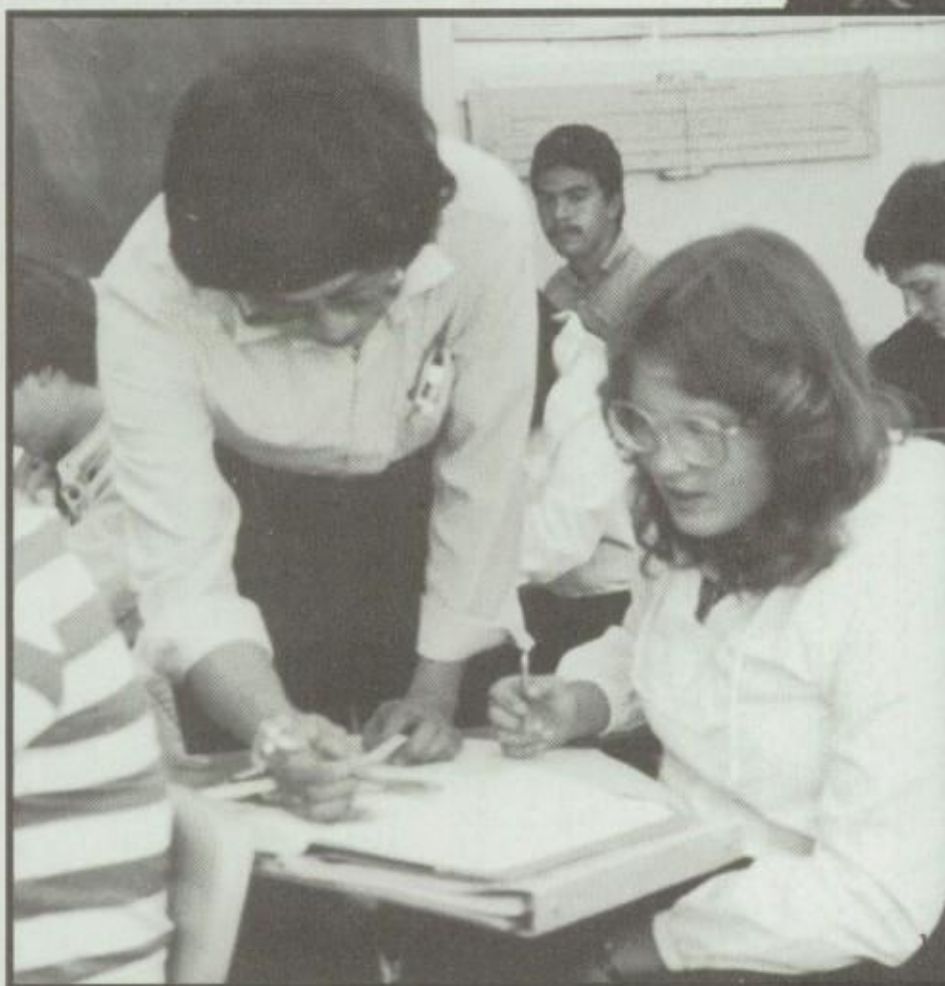

## People And Academics: The Year For A Change

The academic requirements for incoming Freshmen, have changed quite a bit in the last year. Students are having to take more Science and Math this year. The reason for many of these changes is based on state-wide test scores. In order to keep educational standards high, Freshmen are placed in classes such as Biology and Algebra 1AB.

High school isn't the only place where requirements have been boosted; colleges are requiring that next year's students take Geometry and Chemistry while in high school.

Teachers are changing too. This year, H. H. S. added Ms. Matulich, Ms. Ionata, Mr. Keck, Mr. Martin, Mrs. Wemp, Mr. Leonti, and Ms. Dickson. New counselors this year are Mr. Sandifer, and Mrs. O'Hara.

Retiring at the semester are Mr. Smith, leaving with 33 years under his belt, and Mr. Buchanan, leaving with 16 of teaching behind him.

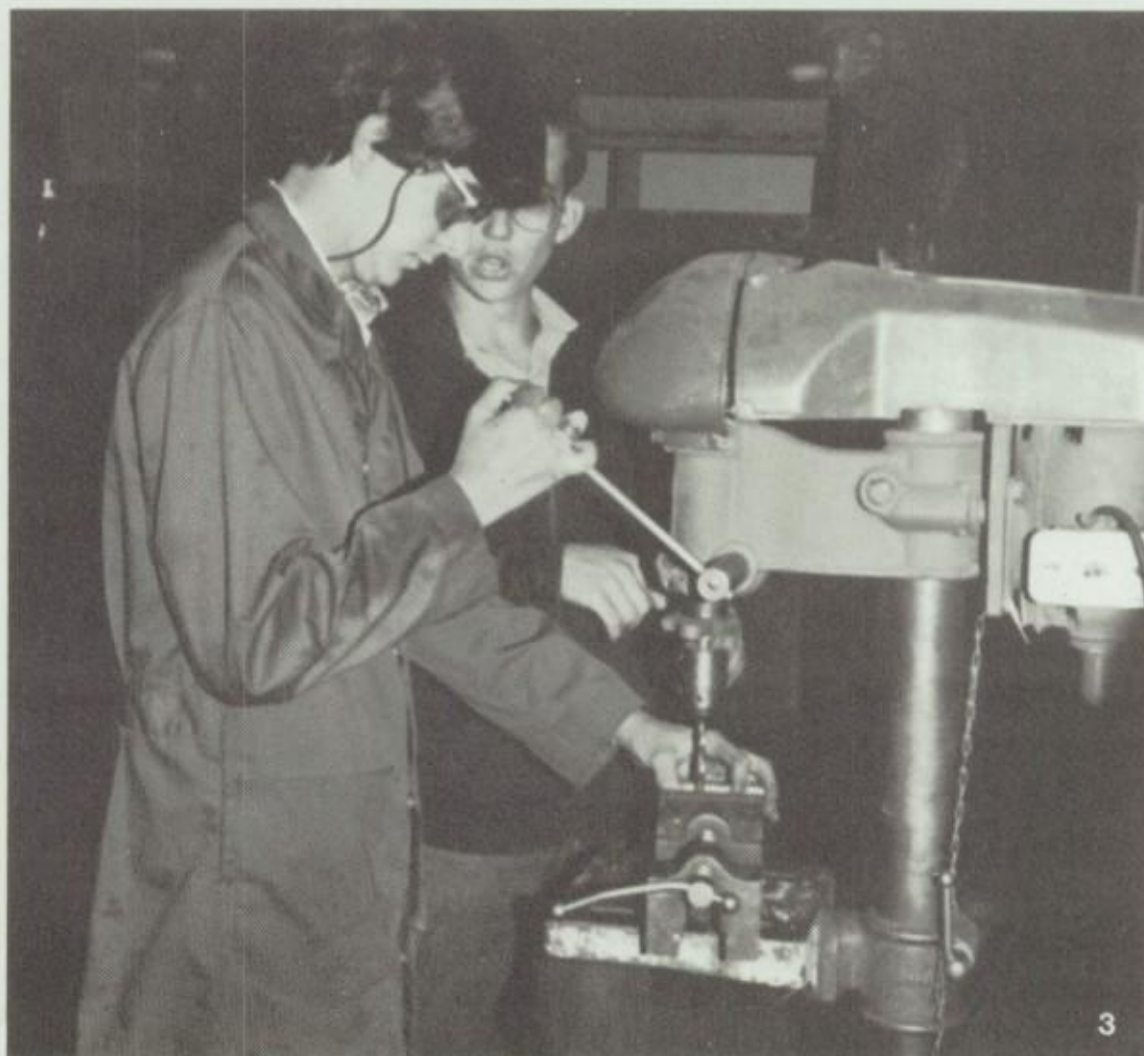

1. Mr. Chen shows Nicole Post how to use a compass.

2. Tom McManus effortlessly pumps iron.

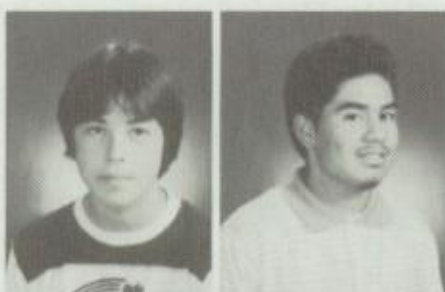

3. Scott Arzie and Andrew Graves work in metal shop.

## FRESHMAN - 20 Units of Physical Education to Graduate

This required course emphasizes the development of individual skills, strategies, and techniques used in basic physical education activities, physical fitness, and conditioning. Students are required to participate in activities such as Swimming, Volleyball, and Basketball. Presently the Board of Trustees is thinking of waving P.E classes if a student participates in sports. This would decrease the size of P.E classes and more students might engage in sports.

Freshman, Vince Hernandez, smiles for a picture while he is playing Volleyball.

## Basic Skills Brings Success!

The Basic Skills Department is headed by Mr. Echaore, and stresses the basic skills in language arts and reading. Many other teachers, besides Mr. Echaore, teach in these classes.

The students who are in this program are there to improve their skills so they can later be placed in grade level classes. As soon as the student has reached their grade level, according to the CTBS test, and have passed their Basic Skill classes, they can then enroll in a grade level class.

## Fine Arts - A Form Of Self Expression

## Where's the Class?

The **disorganized** yearbook class under the supervision of Mr. Dale Morejohn put together the 1984 edition of **El Chapitel**.

It took a lot of fighting and a loss of eight people at the beginning of the second semester, but it eventually was put out.

By working after school, evenings, and Saturdays the pictures were developed, the layouts were drawn, and the copy was written.

## Library Benefits Those With Senioritis

The library serves a very important purpose for many Seniors at Hollister High. After being struck with the almost welcome "Senioritis," homework is usually forgotten about. If not, then some swarm into the library, by 7:55 a.m. to get a seat. For this reason, the library has rapidly become an "over-populated Senior sanctuary." Hopefully, next years Seniors won't be struck as badly with the dreaded but welcome disease!

## A Bright Future for those in ROP

The R.O.P. program, short for the Regional Occupation Program, gives students an opportunity to check into future careers of interest to them. Students can also gain job training through the ROP program, the student must be either a Junior or a Senior, or 16 years old. Auto mechanics, retail merchandising, cosmetology, dental assisting, and electronic training are just a few of the occupational classes that ROP offers. The many students who enroll in these courses are happy they did!
